1 About this section

Our Customer Terms

- 1.1 This is the Fetch Service section of Our Customer Terms.
- 1.2 The [General Terms of Our Customer Terms](#) also apply.

Inconsistencies

- 1.3 If the [General Terms of Our Customer Terms](#) are inconsistent with something in this section, then this section applies instead of the General Terms to the extent of the inconsistency. See section one of the [General Terms of Our Customer Terms](#) for more detail on how the various sections of Our Customer Terms are to be read together.
- 1.4 If a provision of this section gives us the right to suspend or terminate your service, that right is in addition to our rights to suspend or terminate your service under the [General Terms of Our Customer Terms](#).

2 What is the Fetch Service

What is the Fetch Service?

- 2.1 The Fetch Service is an entertainment service delivered to your TV via a broadband connection and a set top box (**Fetch Box**) that enables you to access, purchase, rent or subscribe to watch third party audio-visual content, including digital free to air television, on demand television and movie streaming services, premium channels, channel packages and pay-per view events (**Content**).

How do you access Content via the Fetch Service?

- 2.2 In order to access Content other than digital free to air content via the Fetch Service, you will need to buy one or more separate content subscriptions or pay a separate fee or charge. See section 7 below for more detail about third party Content services and subscriptions that you can access via the Fetch Service.

What do we provide as part of the Fetch Service?

- 2.3 As part of the Fetch Service, we provide:
 - (a) the Fetch Box and any additional equipment or accessories you have purchased from us in order to operate your Fetch Box, such as a remote control, power cord, antenna cable, HDMI cable, ethernet cable and remote control batteries; and / or

- (b) the opportunity to access, purchase, rent or subscribe to Content via the Fetch Service; and / or
 - (c) the opportunity to access and use Multiroom (as described below in section [5.5]).
- 2.4 Fetch TV has appointed us as its agent to promote and provide subscription television services which include the premium channels and add-on channels available through the Fetch Service. If you take up the opportunity to access or subscribe to any of this Content via the Fetch Service, you understand that it will be provided to you by Fetch TV under the terms of a separate agreement with Fetch TV, available at: <https://www.fetchtv.com.au/terms-and-conditions>.

3 Eligibility and restrictions

Eligibility

- 3.1 To take up and use the Fetch Service, you must have:
- (a) an internet connection;
 - (b) a free to air digital television antennae within a digital television coverage area in Australia (in order to access digital free to air content);
 - (c) a compatible television with a spare HDMI input to connect your Fetch Box;
 - (d) a wireless access point or Ethernet connection at your residence; and
 - (e) a device with internet access to activate your Fetch Service.

Restrictions

- 3.2 The download speed of your internet connection impacts the performance of your Fetch Service, and a better customer experience is more likely on higher speed internet connections. For an optimal viewing experience on your Fetch Service, we recommend a minimum internet speed of 3.5 mbps for standard definition content. For Ultra High Definition or 4K we recommend a minimum of 15 mbps.
- 3.3 Your viewing experience of live free to air content will depend on your digital television coverage.
- 3.4 You can only acquire the Fetch Box for private or domestic use in relation to your Nominated Address. Fetch is not available to wholesale or small business customers or for resale.

4 Additional terms

In order to use the Fetch Box or the Fetch Service, you must accept and agree to the Fetch TV terms and conditions with Fetch TV, which are available at: <https://www.fetchtv.com.au/general-terms-of-use>.

Fetch TV terms and conditions are also available in the "Settings" menu on the Fetch Service.

Relocating your Fetch Box

- 5.2 If you move postcodes, you may need to update your postcode with your Telstra account to get the free to air digital television content for your area.

Risk and title

- 5.3 Title in your Fetch Box (except for the Intellectual Property Rights associated with the Fetch Box, the Fetch Service and in any Software and Content on or accessed through your Fetch Service), passes to you once you have paid us in full for your Fetch Box.
- 5.4 Risk in your Fetch Box passes to you on delivery to your Nominated Address.

If available for a particular subscription, that will be identified in the subscription process. Where that option is available and you take it, paying us the amounts on your Telstra invoice for the subscription will satisfy your payment obligation to the provider of that subscription under the terms between you.
