Instructions for how to find the IMEI number of your iPhone™ 3G:

1. When your iPhone™ 3G is turned on you can access the IMEI from Settings > General > About.
2. When your iPhone™ 3G is turned off you can access the IMEI by looking at the SIM tray. The IMEI number is engraved on the SIM tray. You should use this method to verify the iPhone™ 3G serial number and IMEI only when the iPhone™ 3G does not power on. The SIM tray is removable and can be misplaced, or replaced with a SIM tray from another iPhone™ 3G.
