

ISDN TIMEFRAME AND KEY DATES

To help you prepare for the change, your service/s will be discontinued in stages. A cease sale means you will not be able to order any new services after:

30 June, 2018

Services will not be available for purchase by new customers

30 June, 2018

Services will not be available for purchase by existing Telstra customers who already receive the services as at that date. However, such existing customers will continue to be able to make configuration, software and record changes to services for each of the services, as outlined in Required Measure 5(D)

From 30 September, 2019

- Services will be disconnected in areas where the area's rollout region disconnection date falls on or before 30 September 2019; or
- For areas in which the rollout region disconnection date falls after 30 September 2019, services will disconnect as per the rollout region disconnection timetable.

31 May 2022

- The final exit date for any services that have not been disconnected in accordance with the above will occur on **31 May 2022**.
