

ETHERNET LITE TIMEFRAME AND KEY DATES

To help you prepare for the change, your services will be discontinued in stages.

A cease sale means you will not be able to order new services. Existing customers will still be able to make configuration, software and record changes to existing services for each of the affected services as further described in Required Measure 5(A).

| | |
|---|---|
| 12 May 2018 | Applies to any premises in a nbn™ rollout region with a standard cease sale commencement date on or before 12 May 2018. |
