How to redeem your Funds.

- 1. Eligibility check:** Ensure the service or hardware you want to redeem is eligible and linked to a Telstra service. Verify that you have an invoice for the service or hardware and that the charges have appeared on your Telstra Bill. Ensure that you redeem within 90 days of being charged and that you have no outstanding debt over 90 days old.
- 2. Contact your Telstra Representative:** Reach out to your Telstra Representative or order via T-Connect to start the redemption process. Attach the relevant invoice to your request.
- 3. Redemption submission:** Your representative will request your redemption with the relevant team. They may request your signature to finalise the process.
- 4. Credit Adjustment:** If your redemption is processed after your billing date, the credit should appear on your next billing cycle.

Rules to keep in mind.

- All eligible items being redeemed must be billed directly to your Telstra Bill.
- Any eligible items must be purchased and redeemed through Telstra or a Telstra Partner.
- You cannot make redemptions if your Telstra Account has an undisputed Aged Debt over 90 days.
- All Hardware being redeemed needs to be associated with a related Telstra Service/Solution (e.g. mobile device handset for use on a Telstra Mobile Service).
- If you want to redeem a Professional Service, you must include a Statement of Work and breakdown of charges in your request.
- You can only redeem hardware or services that are listed in the supplied list by Telstra. Anything else is excluded.
- When eligible items are purchased through your Telstra Fund, your account will be deducted the proportionate amount within 90 days of our initial invoice.
- If your Telstra Fund is insufficient to cover the cost of the items you are redeeming, you will be required to pay the difference when invoiced, according to your payment terms.
- You can only redeem hardware items with once-off charges, not monthly recurring.

FAQs.

Q: How can I redeem my Fund?

A: Please refer to the '[How to redeem your Fund](#)' section.

Q: How do I know how much I have in Funds?

A: When you sign up for a 12, 24, or 36-month Fund Contract, the expiry date for Telstra Funds will be established and advised upon the contract's implementation.

For Telstra Enterprise Plus Fund (TEPF), your balance can be viewed in [T Connect](#).

Q: When do I receive my Fund?

A: After you've signed your Fund Contract, the implementation team will process your Fund and notify you via email once it's available. Your Funds may be available upfront or monthly, or you may receive a top-up every second year, depending on your Fund Type.

Q: When does my Fund expire?

A: When you sign up for a 12, 24, or 36-month Fund Contract, the expiry date for Telstra Funds will be established and advised upon the contract's implementation.

Q: What are the rules for using my Fund?

A: Please refer to the '[Rules to keep in mind](#)' section.

Q: What can I use my Funds on? What is excluded?

A: You can use your Telstra Funds on services or hardware supplied by Telstra or Telstra Partners. For a full list of what you can redeem your Funds on, please refer to the '[Inclusions and exclusions](#)' section.

Q: Can I redeem my Fund at other tech retailers and providers (eg. Apple, Samsung, etc).

A: No – you must purchase and redeem through Telstra or Telstra Partner.

Q: Can I use this for installation costs?

A: Yes, please refer to the '[Inclusions and exclusions](#)' section.

Q: When can I redeem Early Termination Charges?

A: Early Termination Charges (ETC) can only be redeemed against an ETC payable to your outgoing service provider when you migrate services to a Telstra Service on the same account as your Telstra Fund.

Q: How can I access support?

A: If you need clarity or support regarding Funds, please contact your Telstra Account Manager, Telstra Partner, or Telstra Representative.

How to submit your redemption request.
