Telstra Funds Redemption Eligibility Checklist

Fund Usage Eligibility Checklist

Always review this Checklist before submitting any Funds Redemption request as it will be updated regularly.

When to Use this Checklist

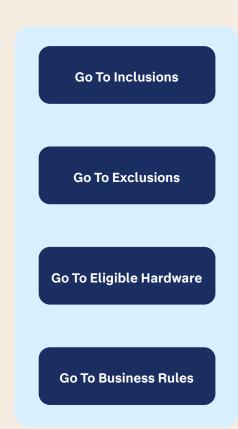

- Please always review this Checklist before requesting the usage of Telstra Funds to redeem the Eligible Items
- Please do not save this file as it will be regularly updated
- Always review this Checklist before submitting any Telstra Funds Redemption requests, as it will be updated regularly

S= What Fund Types this Checklist Covers

This Checklist can be used for redemptions on the following Telstra Funds:

- All4Biz Funds
- Adaptive Mobility Fund (AMF) Legacy
- Mobile Technology Incentive Funds (MOTIF)
- Telstra Enterprise Fund (TEF)
- Technology Incentive Funds (TIF)
- Telstra Enterprise Plus Fund (TEPF)*

*More details on this funds Contributions and Redemptions are found on page 9 & 10.

RULES	Business Rules for Al
	Business Rules for Al Fund Redemptions

- All Eligible Items being redeemed must be billed directly on your Telstra Bill
- Redemptions cannot be made against Telstra accounts with undisputed Aged Debt >90 days
- All Hardware being redeemed must be associated with a related Telstra Service/ Solution (e.g. Mobile handset for use on a Telstra Mobile Service)
- Redemptions for Professional Services must include the Statement of Work and a breakdown of charges
- Unless Hardware is listed in the Eligible Hardware list, it is excluded and ineligible

- You may use your Telstra Funds to redeem the Eligible Items listed below by submitting a request to us via your Telstra Client Executive or your Telstra Partner or Telstra Representative
- We will reduce the amounts in the relevant Telstra Fund account proportionate to the cost of Eligible Items purchased from us within 90 days of our initial invoice to you for such purchase
- If the amounts in the relevant Telstra Fund account are insufficient to pay for the cost of Eligible Items redeemed by you, you must pay us the Eligible Item cost or the difference when invoiced in accordance with your payment terms agreed with us.

Inclusions -Eligible Items

Telstra Funds can only be used to redeem the following:

- Once off Telstra, Telstra Purple or Telstra Partner Delivered Professional Services that relates to a Telstra Service
- Once off telecommunications Installation and Configuration Charges relating to a new Telstra Service
- Once off Connection Charges relating to a new Telstra Service
- Once off telecommunications Training Fees relating to a Telstra Service

Exclusions -Ineligible Items

Telstra Funds cannot be used to redeem the following:

- x Recurring Monthly Charges
- x Any Hardware not specified on the Eligible Hardware List
- X Rental of Hardware
- x Hardware monthly recurring charges (e.g. MRO)
- X IT equipment, including Laptops, PCs, Monitors, Printers, Scanners
- x TVs, Sound Systems, Monitors
- X Office Equipment
- x General Licencing & Software
- x TBS maintenance charges
- x Finance payouts including Capital Finance
- x Terminating existing TBS finance arrangement
- × Maintenance & Repairs
- X Service/ Technician Calls
- x Support Services recurring charges

- Once off telecommunications Hardware Charges listed on the Eligible Hardware Tab of this Checklist
- Early Termination Charges payable to your outgoing service provider when you migrate services to a Telstra Service on the same account as your incentive fund
- TBS Phone system reprogramming
- TBS Phone system reprogramming due to NBN migration
- x Costs of de-installation, removal or relocation
- X Cabling and infrastructure beyond network, i.e. internal building cabling
- × Furniture, Travel, Accommodation, Entertainment, Household goods, Intercoms, Security equipment, Connected Home
- x Power Generation Equipment
- X Network & Cabling beyond the 'point of interconnection'
- X Non-e-SIM enabled wearables
- X Gaming hardware
- × SIM Cards
- x Early Termination Fees from existing Telstra Services
- X Other items excluded as per existing Fund Contract
- x Cease Sale/Exit products

To redeem the Eligible Hardware listed below, please also ensure the below business Eligibility Rules are met.

This includes:

- Eligible Hardware item charges for redemptions must be Once Off Charges and not Monthly Recurring (not MRO charges)
- All Eligible Items are being redeemed will be billed directly to your Telstra Bill
- Redemptions cannot be made against Telstra accounts with undisputed Aged Debt >90 days
- All Hardware being redeemed is associated with a related Telstra Service/Solution (e.g. Mobile handset for use on a Telstra Mobile Service)
- Redemptions for Professional Services must include the Statement of Work and a breakdown of charges
- Unless Hardware is listed in the Eligible Hardware Tab of this Checklist, it is excluded and ineligible

- ✓ You may use your Telstra Funds to redeem Eligible Items by submitting a request via your Telstra Client Executive or your Telstra Partner or Telstra Representative
- We will reduce the amount in your relevant Telstra Fund account proportionate to the cost of Eligible Items you purchase from us within 90 days of our initial invoice to you for such purchase.
- ✓ If the amounts in the relevant Telstra Fund account are insufficient to pay for the cost of Eligible Items redeemed by you, you must pay us the Eligible Item cost or the difference when invoiced in accordance with your payment terms agreed with us.

Eligible Hardware & Service List

(This is for All4Biz, TEF, AMF, MOTIF & TIF Funds only)

Solution	Category of Hardware	Eligible Hardware Items	Notes
EIM (Enterprise Impact Management) on Demand	NA	NA	This service can be redeemed from your Telstra Fund as long as it's been billed directly to Telstra Bill and connected/associated with a Telstra solution.
	Connected Vehicles	EagleTrack Hardware - Tracking Units & Tags, Cables, etc Fleet Complete Hardware Trackers & Sensors etc Mobileye Hardware MTData Hardware Teletrac Navman Hardware - Tracking devices in vehicle devices, DDT, MNAV etc	Must be billed direct to Telstra Bill
Internet of Things (IoT)	Asset Tracking Smart Spaces	Telstra Track and Monitor Hardware - Tracking Units and Tracking Tags Smart Parking Hardware Connected Buildings Hardware Telstra Remote Telemetry	and connected/ associated with the related Telstra Solution
	Physical Security	Hardware and Modem Managed Video Surveillance (MVS) Hardware SAPIO Hardware Telstra Secure Hardware	
🗐 Data & IP	Adaptive Networks	Adaptive SD-WAN Hardware	Must be billed direct to Telstra Bill and connected/ associated with the related Telstra Solution
Managed Network Services (MNS)	Managed Data Networks (MDN) Managed Wi-Fi Software Defined Networks (SDN)	Hardware incl. Switches, Routers, Modems, Servers	Billed Directly to Telstra Bill and must be part of an overall contracted managed network by Telstra.
t Security	Cyber Security	Managed Next Generation Firewall (MNGF) Hardware from CheckPoint Only	Must be billed direct to Telstra Bill and connected/ associated with the related Telstra Solution
Industry Solutions (IS)	Professional Media	Professional Media Network Hardware Global Media Network Hardware	Must be billed direct to Telstra Bill and connected/ associated with the related Telstra Solution

Solution	Category of Hardware	Eligible Hardware Items	Notes	
	Collaboration - Cloud	Business SIP Hardware - SIP Gateways		
		TIPT Hardware - Handsets & Headsets		
		Telstra Collaboration with Cisco (TCC) Hardware - CISCO IP Phone, Video Package, Accessories		
		Telstra Collaboration Hardware - TIPT devices, handsets, headsets		
		SIP Complete Hardware - SIP Gateways		
	Collaboration	SIP Connect - SIP Gateways		
Unified Communications (UC)	On-Premise	Telstra Business Systems (TBS) TBS Approved Parts, e.g. Headsets, Handsets	Must be billed direct to Telstra Bill and connected/ associated with the related Telstra Solution	
		Avaya Unified Communications Infra- structure & Devices		
	Collaboration On-Premise	Cisco Unified Communications Hardware -PABX systems, Desk phones, Headsets		
		ShoreTel Unified Communications Hardware - PABX systems, Desk phones, Headsets		
	Conferencing	Audio & Web Conferencing Hardware - CISCO IP Phone, Video Package, Accessories		
	Customer Contact Solutions	Avaya Contact Centre Hardware - Infrastructure & Devices		
		Contact Centre Genesys Cloud Hardware - Edge device, Configuration package		
	Alcatel Devices			
	Apple Devices			
	Samsung Devices			
	Google Devices		Billed Directly to Telstra Bill and connected to a Telstra Mobile Service	
	Telstra Devices			
Mobility - Devices	HTC Devices	All Telstra approve Sim-enabled Mobile Phone Handsets and		
	LG Devices	Tablets		
	Motorola Devices			
	Nokia Devices			
	Oppo Devices			
	CAT Devices			

Solution	Category of Hardware	Eligible Hardware Items	Notes
	Lenovo Devices	All approved Sim-enabled 2in1s	Pilled Directly to Teletre Pill and
	Microsoft Devices	All approved Sim-enabled 2in1s (i.e. Surface)	Billed Directly to Telstra Bill and connected to a Telstra Mobile Service
	Satellite Devices	All Telstra approved Satellite Iridium (SAT) Devices	Billed Directly to Telstra Bill and connected to a Telstra Satellite Service
Mobility - Devices	Wearable Devices	All Telstra approved e-SIM Watches	Billed Directly to Telstra Bill and connected to a Telstra Mobile Service
	MBB/Enterprise Wireless Devices	All current Telstra Approved MBB/ Enterprise Wireless Devices including Netgear, ZTE, Huawei, Sierra, Telstra, Cradlepoint, Casa	Must be billed direct to Telstra Bill and connected/ associated with the related Telstra Solution
Mobility Accessories	Mobile Device Accessories	All current Cases, Screen Protectors, Headsets, Power Chargers & Adaptors, and Telstra Go Repeater	Billed directly to Telstra Bill, and purchased on the same invoice as the main mobile device unit with which the accessories will be used. Volume of accessories to match volume and model of main device hardware
	TBS Equipment	TBS Phone Systems (Main Equipment)	Telstra Approved and associated with the related Telstra Service
द		TBS Phone Systems (Additional Equipment)	Must be an Eligible Hardware Item included on this Eligible Hardware list and associated with the related Telstra Service
Telstra Business Systems & Fixed Line		Cabling Equipment - If part of a TBS system only	Telstra Approved and will be associated to a Telstra Service
Products		Routers/Switches	
	Fixed Line Equipment	Telstra Business Broadband (TBB) Splitters	Billed Directly to Telstra Bill and connected/associated with the related Telstra solution
Other Equipment & Miscellaneous Charges	Equipment	Antennas & Patch Leads	Billed Directly to Telstra Bill and connected/associated with the related Telstra solution
