

Mobile My Way

A guide to buying and using a mobile phone from Telstra, and what to do if something goes wrong.

1 Check there is mobile coverage in your area. Ask someone if you are not sure.

2 Choose the right plan for your budget.

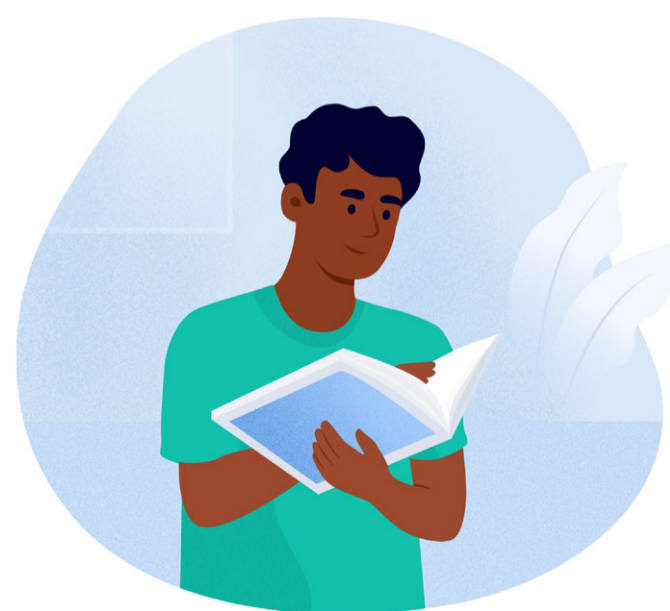

3 Manage your data use.

4 Keep your phone safe.

5 Call 1800 444 403 if you need help.

6 Download or get sent a copy of the book at telstra.com.au/myway
