The information set out under the heading "Access pricing" on page 37 of the Original Information Memorandum (as amended by the Supplemental Information Memorandum dated 6 June 2005) is updated by inserting the following additional paragraph:

In April 2005, the ACCC commenced a review of local telecommunications services. The ACCC's inquiry involves both a review of the current local carriage service declaration under Part XIC of the Trade Practices Act, and a more comprehensive review of the ACCC's approach to regulating the fixed line local telecommunications market. Depending on its outcome, the review may impact on the access prices for various local call and/or basic access services provided by Telstra. The review is unlikely to be completed before late 2005.

The information set out under the heading "Directors" on page 54 of the Original Information Memorandum (as amended by the Supplemental Information Memorandum dated 6 June 2005) is updated by inserting the following additional text in table footnote (2):

On 9 June 2005, Telstra announced that it had appointed Solomon Trujillo as Chief Executive Officer and as an Executive Director. Mr Trujillo will take up his appointment on 1 July 2005.
