05 ACCOUNT HOLDER ACCEPTANCE

Important – Please read these terms and our Business “Important Information – Your Rights and Obligations” Booklet (“Booklet”).

1. You apply for the service(s) described in this Application Form and acknowledge that if your application is accepted they will be provided on the terms and conditions set out in this Application Form, Our Customer Terms and any other agreement you have with us for the service(s). Where applicable the terms and conditions that apply to your existing Telstra mobile voice plan also apply.
2. You agree that under Our Customer Terms, but subject to any other agreement you have with us for the service(s), we can change the pricing and or terms of your service(s). Our Customer Terms sets out the circumstances in which we can do this.
3. You acknowledge that you have either received, or have had the opportunity to review, a copy of Our Customer Terms. You acknowledge that you have received the Booklet.
4. You confirm that we may, subject to the provisions of the Privacy Act 1988 (Cth), in force from time to time:
 - a. disclose information about you and your application (including information contained in any application for additional services and information relating to the conduct of your account) to a credit reporting agency for the purpose of obtaining and maintaining a credit information file about you, and to another credit provider or a collection agent for the purpose of collecting overdue payments relating to credit owed by you and notifying defaults by you; and
 - b. obtain and use information about your creditworthiness (including a consumer or commercial credit report) from a credit reporting agency, credit provider or other business that reports on creditworthiness for the purpose of assessing an application (including the application and any application for additional services) or collecting overdue payments. For the purpose of this clause, “you” and “your” refers to the Account Holder and the Account Holder’s Authorised Signatory (if applicable).

5. You confirm that all information you have provided in this application is correct and that if you are not the Account Holder, you are authorised to sign this form on behalf of the Account Holder.

THINGS YOU NEED TO KNOW

01. Charges

The charges for your service/s are those set out in:

- your agreement with us for your service/s (if any); and
- this Application Form and Our Customer Terms.

If you use your service/s for things not included in your plan, you need to pay us for that use separately.

02. Telstra Mobile Connect Data Plans

To take up a Telstra Mobile Connect Data Plan, you need (for each intended user):

- a properly configured mobile device,
- SSL business application software and client access licence and
- an eligible Telstra mobile voice plan, which you need to pay for separately.

If you do not nominate an eligible Telstra mobile voice plan, we will connect you to a default Mobile Connect Voice Plan. There is no monthly fee for the default Mobile Connect Voice Plan, but you need to pay us for all of your usage at the rates set out in Our Customer Terms.

The Telstra Mobile Connect Plan includes:

- 2GB of data each month to use in Australia (excess data 10c/MB); and
- 3GB of SSL Business Services (where you use your mobile device in Australia through port 443, or send or receive data in Australia over the Telstra IP Wireless private APN (Telstra Corp)). Once you have used 3GB of SSL Business Services, your speed will be reduced to 256kbps for the rest of the month. We'll tell you if this happens; and
- a Telstra Mobile Device Management plan. If you cancel your Telstra Mobile Connect plan or your eligible mobile voice service, we will charge you for the Telstra Mobile Device Management plan set out in our Customer Terms, unless you deregister your device through the T-MDM portal.

The Telstra Mobile Connect Plan does not include an allowance for use overseas. You need to pay us for this use separately.

If you take up a Telstra Mobile Connect Data Plan with a 24 month minimum term and you cancel early, you'll need to pay us an early termination charge calculated as Base ETC x number of months (or part) remaining in your plan term ÷ 24. The Base ETC is set out in the table below:

PLAN	BASE ETC AMOUNT (INCL. GST)
Mobile Connect SIM Only Plan	\$244
Mobile Connect Plan with Device – Basic	\$645
Mobile Connect Plan with Device – Standard	\$1,058
Mobile Connect Plan with Device – Premium	\$1,058

You agree that the early termination charge is a genuine pre-estimate of the loss we are likely to suffer.

03. Telstra Mobile Device Management (T-MDM)

To take up a T-MDM bolt – on plan, you need (for each intended user):

- an eligible mobile device; and
- an eligible mobile voice plan, which you need to pay for separately.

T-MDM will only work when each eligible mobile device is turned on, and in a coverage area. The available features and functions of the T-MDM will vary depending on the type of eligible device that is used.

If you cancel the eligible mobile voice plan to which your T-MDM service relates, we will charge for you for your T-MDM service at the rates set out in Our Customer Terms, unless you deregister your device through the T-MDM portal.

04. BlackBerry® Advanced Service

To take up a BlackBerry® Advanced Service, you need (for each intended user):

- a compatible BlackBerry device (OS 10.1+);
- a client access licence; and
- an eligible Telstra mobile voice plan, which you need to pay for separately. You also need to have BES 10.1+ server software installed on your on-premise or hosted server.

05. BlackBerry Enterprise Data Plans

To take up a BlackBerry Enterprise Data Plan, you need (for each intended user):

- a compatible BlackBerry device;
- BlackBerry Enterprise software and a client access licence, and
- an eligible Telstra mobile voice plan, which you need to pay for separately.

BlackBerry Enterprise Data Plans are not available with BlackBerry 10.

If you do not nominate an eligible Telstra mobile voice plan, we will connect you to a default BlackBerry Voice Plan. There is no monthly fee for the default BlackBerry Voice Plan, but you need to pay us for all of your usage at the rates set out in Our Customer Terms.

The BlackBerry Enterprise Data Plan includes:

- sending and receiving an unlimited number of e-mails to and from your compatible BlackBerry device in Australia (experience may vary where the e-mail has large attachments or embedded content) and you can use the BlackBerry browser for unlimited browsing within Australia.
- 1GB of BigPond Mobile Services in Australia (excess data 25c per MB)

The BlackBerry Enterprise Data Plan does not include an allowance for use overseas. You need to pay us for this use separately.

If you take up a BlackBerry Enterprise Data Plan with a 24 month minimum term and you cancel early, you'll need to pay us an amount calculated as Base ETC amount x number of months (or part) remaining in your plan term ÷ 24. The Base ETC amount is \$244 (incl. GST).

You agree that the early termination charge is a genuine pre-estimate of the loss we are likely to suffer.

06. BlackBerry 10 Client Access Licences

BlackBerry 10 Client Access Licences will expire after 12 months and do not roll over. You must re order your Client Access Licences after 12 months.

We are not able to keep a record of your Client Access Licences or their expiry dates, or send you any reminders or warnings before your Client Access Licences expire. You are responsible for checking the BlackBerry online dashboard for information about when your Client Access Licences will expire.
