03 IMPORTANT INFORMATION ABOUT THE TRANSFER

New contract

By transferring this number to Telstra, you're entering into a new contract with us.

Process

If you agree to this transfer, we will speak to your existing service provider to validate your request. We won't be able to complete the transfer if it's not validated. If we run into any issues, we'll call you on the number you have provided. Once it's validated, we'll initiate the transfer. Subject to any cooling off period, the process may take a couple of days and your service may be interrupted during this time. We'll send you a text to let you know the transfer is complete and that you can start to use your new service. You'll also receive a Welcome Pack in the mail.

Delay

If the transfer takes more than a couple of days, we suggest you try turning your phone off and on. If after 30 days the transfer has failed and we gave you a handset or SIM card, you must return it. If not, we might bill you for it.

BYO handset

If you want to use a non-Telstra device, be sure to check that your device is Next G[®] compatible, otherwise you may not be able to get the full benefit of our Next G[®] network. To check if your device is Next G compatible, visit telstra.com/device. If you intend to use your existing handset, you may need to unlock or re-set the handset before the transfer.

Transfer enquires

If you have any questions about the transfer, please call us on 13 2200. Call this number any time to confirm that the transfer has occurred, to lodge an enquiry or complaint, to determine equipment compatibility or any other service related matter. If you're experiencing any faults with your service whilst it is being transferred to Telstra please contact your current provider.

- I may or may not have an existing contract with my existing serviced provider, and
- such contract may or may not include an obligation to make early termination payments to my current mobile telephone provider.

- I have been advised by Telstra Mobile that by porting the mobile telephone number(s) listed on this form, the service and/or related services associated with that number(s) may or may not be disconnected from my existing mobile telephone provider, and may result in finalisation of the account for the service.

I authorise:

- the disclosure of my number and details of this transfer to the Telstra Mobile Network to other service providers, suppliers and financial institutions for the purpose of call and message routing, transferring this service, complaint handling, managing network faults and preventing and investigating fraud; and

I am satisfied that the details provided on this form apply to the Applicant and that the Account Holder/Authorised Signatory has shown me 100 points of current identification (in original form) to meet Telstra's ID requirements.
