Sign In to Skype for Business

When you sign in to your phone using your Skype for Business log in credentials, your phone becomes an extension of your Skype for Business profile.

Tap the **Sign In** soft key

You will be presented with two sign in options:

1. **User ID**
2. **Web Sign in**

(You will also have the option of signing in via the PC)

User ID

Tap **User ID**

Complete the following fields:

1. **Sign in Address**
(e.g. david.jones@telstra.com)
2. **Domain** (e.g. @telstra.com)
3. **User** (e.g. david.jones)
4. **Password**

Tap **Sign In**

You will now be prompted to enter a Lock Code of choice (6-15 numbers).

1. Tap
2. Re-enter Lock Code
3. Tap

Web Sign In

Tap **Web Sign in**

You will be prompted to sign into the following Web Browser from your PC:
<https://aka.ms/sphone>

Your phone will also display a unique code which is required for the web set up.

1. Enter the URL from your PC
2. Enter your email address
3. Click **Verify Email**

4. Enter User Password
5. Click **Sign In**

From the Device login page:

1. Enter the unique code
2. Click **Continue**

3. Click on your account profile

Your phone will take a few minutes to register your Skype for Business profile. On the first sign-in, you will be prompted to create a 6-15 digit PIN.

Your profile will appear on the Home screen with a Presence icon indicating your current Skype for Business presence.

Any contacts you have saved in Skype for Business **Favorites** will also display on the Home screen along with their presence icon.

To add Contacts as Favorite

In the Skype for Business client on your computer, right-click on a contact and click **Add to Favorites**.

Add Contacts

You can add your Skype for Business contacts to a Contacts list on your phone:

1. Tap **Contacts > Add**
2. Enter your contact's email address and press **Submit**

Update your Presence Status

Your presence status information displays your availability and activity to your contacts. Your presence automatically updates when you are actively using your phone or when you change your presence from within Skype for Business.

To update your presence status

My Status

Press **My Status** soft key and select your desired status

You can change your status to Available from any other status by selecting **Reset Status**
