IMPORTANT TERMS – TO BE READ BY ALL APPLICANTS

- You acknowledge that you are using the T-MDM portal powered by AirWatch for the first time.
- The T-MDM trial ends 30 days after you first start using the T-MDM portal ("**Trial Period**") and applies to use of the T-MDM portal within Australia on eligible devices and services. For use of the T-MDM portal outside Australia, International Roaming charges apply.
- During the Trial Period you can register a maximum of 25 eligible devices on the T-MDM Portal without having to purchase Client Access Licences (CALs) for those eligible devices. For a list of eligible devices and services see telstra.com/enterpriseclassedevices
- If you register more than 25 eligible devices during the Trial Period in the T-MDM portal you must pay CAL Fees for each eligible device you register in excess of 25 devices.
- During the Trial Period you may also use the Secure Content Locker without having to purchase Secure Content Locker CALs for up to 25 eligible devices.
- If, during the Trial Period, you have more than 25 eligible devices using the Secure Content Locker you must pay any applicable Secure Content Locker CAL fees for each eligible device using the Secure Content Locker in excess of 25 devices.
- During the Trial Period, you must separately pay for any data usage charges associated with the use of T-MDM and any applicable charges for your eligible service(s).
- After the Trial Period ends, we will commence charging you for use of the T-MDM portal and we will bill the account number specified in the 'Account Holder Details' Section of this Order Form.
- On the day after the Trial Period expires, you will automatically be moved to a paid T-MDM service and each eligible device you have registered in the T-MDM portal will be charged any applicable CAL Fees and Secure Content Locker CAL Fees.
- If you do not wish to be charged after your Trial Period expires you must de-register all eligible devices that you have registered in the T-MDM portal before the expiry of your Trial Period.
- If you connect to an eligible service after the Trial Period expires, you will not be charged CAL Fees for the devices connected to those eligible services.
- Any applicable Secure Content Locker CAL Fees will apply after the Trial Period expires.
