## Information about the service

### Your device

You may bring your own compatible device with this plan, or may purchase an eligible device from JB Hi-Fi.  
Important: You must make sure your device is compatible, or it may not be able to make calls, including calls to emergency services. See [telstra.com/support/mobile-devices/enable-volte-mobile-phone](https://telstra.com/support/mobile-devices/enable-volte-mobile-phone) for more information on compatible devices.

### Your data usage

If you exceed your included data allowance, your speed will be capped at 1.5Mbps, and slowed further in busy periods. This means it is not suitable for HD video or high speed applications and means that some webpages, videos, social media and content and files may take longer to load, but you can still stream video in standard definition, listen to music, browse the web and access social media, even if the experience is slower sometimes. Heavy data users (users in the top 1% of all data users) may experience slower speeds than other users during busy periods. You must comply with our FairPlay Policy and not use your service in an unacceptable, unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of, or

causes significant congestion to, the network. You receive SMS and/or email alerts in near real-time when you reach 50%, 85% and 100% of your Data allowance. To check your usage, install the JB Hi-Fi Mobile app on your smartphone or tablet.

### Plan Speeds

Speeds may vary due to factors such as location, distance from the base station, local conditions, concurrent users, hardware and software configuration and download/upload destination.

### Voucher

To be eligible for a voucher, you must connect to a new JB Hi-Fi Mobile service and sign up to an Everyday or Premium Plan. **Bonus voucher is only available when offered.** The voucher will entitle you to the purchase of goods from JB Hi-Fi stores (if you are a JB Hi-Fi business customer who is eligible to receive a voucher, you may receive an equivalent value by way of a credit on your JB business account in place of the voucher). It's not transferable or redeemable for cash (including any unused part). If you cancel or move to a lower cost plan then you'll need to pay a Voucher Repayment Fee pro-rated against the remaining months of your plan's minimum term. You can view the remaining months in your term in the JB Hi-Fi Mobile App, to find out

the Voucher Repayment Fee that applies to you, contact 13 50 75, or visit your local JB Hi-Fi Store.

## Information about the service

### Using your service overseas

If you are moving your existing service and it currently has International Roaming blocked this will continue to apply on your new Plan, otherwise, International Roaming and International Day Pass are activated by default on your plan. You can deactivate them using the JB Hi-Fi Mobile app. For an additional charge per day an International Roaming Day Pass lets you make and receive unlimited standard voice calls and SMS and includes 2GB data for use each day (AEST) when travelling in Eligible Roaming Destinations. If your daily data allowance of 2GB within the Day Pass runs out, you'll get a text with the option for a 2GB data top-up for \$10 that stays active for 31 days. For more information see the International Day Pass Critical Information Summary. For more information visit [Telstra.com/overseas](https://Telstra.com/overseas) or see the International Day Pass Critical Information Summary. Visit [Can I reduce my bill costs when I'm travelling overseas?](#) for information on spend management tools while you're overseas.

### Can I cancel my plan?

Yes, you can cancel your plan at any time by calling us on 13 50 75 or visiting a JB Hi-Fi store. When you cancel, your service will be disconnected immediately. We won't refund any money you've already paid and you'll need to pay out any remaining Voucher Repayment Fee.

### What happens when I cancel my plan early?

You'll need to repay Telstra for any vouchers you received when you purchased your plan. The Voucher Repayment Fee (if applicable) is pro-rated, equal to the total amount of the base voucher and Bonus Voucher if offered during the promotional period divided by 24 and multiplied by months (or part months) remaining in your plan term.

### Can Telstra change my plan?

From time to time we may make changes to your plan, including price and inclusions, or we may move you to a new plan (which may cost more). If we change your plan or move you to a new plan and we reasonably consider that change or move has more than a minor detrimental impact on you:

- a) We'll give you at least 30 days' notice before making changes or automatically moving you to the closest available plan.
- b) If you don't like the changes or the new plan, you can cancel your plan.

### FairPlay Policy

You must comply with our FairPlay Policy and not use your service in an unacceptable, unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of, or causes significant congestion to, the network. We may take action if you breach the FairPlay Policy, including suspending or cancelling your service.
