Telstra Smart Home requires:

- Telstra Smart Home app using iOS or Android smartphone or tablet
- a home broadband connection (Telstra or otherwise)
- a home Wi-Fi network
- Your Telstra ID

Only devices certified by Telstra as being compatible

with Telstra Smart Home will work with your service.

- A maximum of 184 devices (excluding 4 cameras) can be connected to your service.

Device Repayment Option

You can pay for your devices Plan over 12 or 24 monthly payments on this plan. You must pay any remaining device payments if you cancel early.

Information about pricing

Refer to the Plan Cost table.

Other Information

Understanding my bill

Billing for your service starts when your Telstra Smart

Home hub is connected for the first time, or after 21 days if not activated within that time.

This Plan requires paperless billing and electronic payment which are free of charge.

How can I monitor and manage my usage?

- Use the Telstra Smart Home app and web portal to track your daily SMS alerts, videos and images
- Use the Telstra 24x7® app to check your data usage if you're a Telstra Broadband or Mobile customer
