

# CUSTOMER SERVICE ADVICE FROM TELSTRA

## Extreme Weather events impact service in Kimberley, Darwin – Daly, Arnhem, Roper – McArthur and Victoria River districts.

Telstra is working to manage the significant impact to Telstra services that has occurred as a result of a series of extreme weather events in the Kimberley, Darwin – Daly, Arnhem, Roper – McArthur and Victoria River regions of WA and NT on or about Monday 12 March 2012 through to Thursday 15 March 2012.

Due to the effect of damage to the Telstra telecommunications network by extreme weather conditions, there has been a significant increase in the number of Telstra services being reported as faulty. As a result, there has been some disruption to service and delays to normal installation and repair activities.

Telstra apologises to any affected customers.

Information as to the nature of these severe weather events can be sourced from the Bureau of Meteorology (BOM). Heavy rain and a Tropical Cyclone Warning are referred to in the BOM Severe Weather Warning issued for 14 March 2012 initially at 10:57 pm CST [9:27 pm WST] on Tuesday 13 March 2012; all of which were widely reported in the news media after the events.

Telstra has identified that the effect of these circumstances may apply to approximately 785 services. Some of these services may not be installed or repaired within Telstra's standard time frames. The number of possibly affected services may increase or decrease as Telstra assesses the full effect of the extreme weather conditions. Based on current information, the resumption date of Telstra's normal service operations is expected to be 23 March 2012. This date is indicative only, however, and may be subject to change once the full impact of the extreme weather conditions has been assessed. Telstra regrets any inconvenience caused to customers and thanks them for their patience while this work is being undertaken.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to the area starting at; Cape Stewart on the coast east of Darwin, head south to Black Mountain then southeast to Port Roper, follow the coast south to the Queensland border then south to Wollgorang, then west to the Buchanan Highway, then south to Kulingalimpa, then northwest to the WA border, then south to Tanami Road, then west to the Gibson Desert, then north to Halls Creek and Kununurra, then north west to Mitchell River National Park and the coast, then follow the coastline in a clockwise direction past Darwin back to Cape Stewart. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

08 8927 0000 To 08 8953 1768      08 9161 1000 To 08 9169 3999  
08 8964 4582 To 08 8988 9999

As these circumstances were outside of Telstra's control, Telstra is claiming an exemption from compliance with time frames and performance standards required under the *Telecommunications (Customer Service Guarantee) Standard 2011*. Therefore Telstra is notifying customers that normal installation and repair time frames may not be met during the period from **14 March 2012 to 23 March 2012** inclusive (based on Telstra's estimated recovery schedule correct at the time of publication of this notice) and, under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, Telstra will be exempt from complying with performance standards during this period.

If you have any questions regarding your eligibility for a CSG payment under this notice, or would like us to reconsider whether the circumstances were a proper basis for claiming an exemption, you may contact us on the number displayed on your telephone account or alternatively on 132203 for service difficulties and faults or 132200 for sales, installations and billing, quoting CSG Exemption reference number **20120314-NT-S-C-P-NT TOP END & KIMBERLEY**.

Copies of this notice are available on our Internet site at <http://telstra.com.au/abouttelstra/commitments/mass-service-disruption/> or you may request a copy by calling one of the Telstra numbers mentioned above.

If, after calling Telstra on one of the above numbers, you remain unsatisfied with our response to your query, you have the option of raising the matter with the Telecommunications Industry Ombudsman (TIO).
