

# Customer Service Advice from Telstra

## **Extreme Weather events impact service in Southeast Coast District of Queensland and part of the Northern Rivers District of New South Wales.**

Telstra is working to manage the significant impact to Telstra services that has occurred as a result of a series of extreme weather events in the Southeast Coast District of Queensland and part of the Northern Rivers District of New South Wales on or about Friday 23 January 2015.

Due to the effect of damage to the Telstra telecommunications network by severe thunderstorms, there has been a significant increase in the number of Telstra services being reported as faulty. As a result, there has been some disruption to service and delays to normal installation and repair activities.

Telstra apologises to any affected customers.

Information as to the nature of these severe weather events can be sourced from the Bureau of Meteorology (BOM). Heavy rainfall and flash flooding are referred to in the BOM Severe Weather Warning issued for 23 January 2015 initially at 7:43 am Friday, 23 January 2015; all of which were widely reported in the news media after the events.

Telstra has identified that the effect of these circumstances may apply to approximately 20,500 services. Some of these services may not be installed or repaired within Telstra's standard time frames. The number of possibly affected services may increase or decrease as Telstra assesses the full effect of the extreme weather conditions. Based on current information, the resumption date of Telstra's normal service operations is expected to be 8 March 2015. This date is indicative only, however, and may be subject to change once the full impact of the extreme weather conditions has been assessed. Telstra regrets any inconvenience caused to customers and thanks them for their patience while this work is being undertaken.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to, the area starting at Beachmere following the coastline south past Wynnum, Surfers Paradise, crossing the QLD/NSW border past Tweed Heads and Byron Bay to Broadwater. From Broadwater, the area heads northwest to Nimbin, west to Kyogle then northwest past The Risk crossing NSW/QLD border to Allora then northeast to Ravensbourne. The area continues northeast past Esk back to Beachmere. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
