

# Customer Service Advice from Telstra

## **Extreme Weather events impact service in the Daly, Tiwi and Arnhem Districts of Northern Territory**

Telstra is working to manage the significant impact to Telstra services that has occurred as a result of a series of extreme weather events in the Daly, Tiwi and Arnhem Districts of Northern Territory on or about Monday 16 February 2015 through to Sunday 22 February 2015.

Due to the effect of damage to the Telstra telecommunications network by Tropical Cyclone Lam, there has been a significant increase in the number of Telstra services being reported as faulty. As a result, there has been some disruption to service and delays to normal installation and repair activities.

Telstra apologises to any affected customers.

Information as to the nature of these severe weather events can be sourced from the Bureau of Meteorology (BOM). A Tropical Cyclone Watch was declared in the BOM Severe Weather Warning issued for 16 February 2015 initially at 1:57 pm CST on Monday 16 February 2015; all of which were widely reported in the news media after the events.

Telstra has identified that the effect of these circumstances may apply to approximately 1,300 services. Some of these services may not be installed or repaired within Telstra's standard time frames. The number of possibly affected services may increase or decrease as Telstra assesses the full effect of the extreme weather conditions. Based on current information, the resumption date of Telstra's normal service operations is expected to be 22 March 2015. This date is indicative only, however, and may be subject to change once the full impact of the extreme weather conditions has been assessed. Telstra regrets any inconvenience caused to customers and thanks them for their patience while this work is being undertaken.

Telstra services encompassed in this exemption are in the area bounded by and including, but not limited to, the area starting at Gunn Point following the coast east around the Cobourg Peninsula, Milingimbi and Nhulunbuy to Numbulwar. From Numbulwar, the area's boundary proceeds northwest past Mt Catt to Douglas Hot Springs. The boundary then turns south to the Flora River Nature Park, then northwest to the coast at Port Keats. From Port Keats, the area's boundary follows the coast northeast around Cox Peninsula and past the city of Darwin back to Gunn Point. All suburbs, towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

08 8920 0000      **To**    08 8948 9999      08 8963 5000      **To**    08 8999 9999

As these circumstances were outside of Telstra's control, Telstra is claiming an exemption from compliance with time frames and performance standards required under the *Telecommunications (Customer Service Guarantee) Standard 2011*. Therefore Telstra is notifying customers that normal installation and repair time frames may not be met during the period from **23 February 2015** to **22 March 2015** inclusive (based on Telstra's estimated recovery schedule correct at the time of publication of this notice) and, under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, Telstra will be exempt from complying with performance standards during this period.

If you have any questions regarding your eligibility for a CSG payment under this notice, or would like us to reconsider whether the circumstances were a proper basis for claiming an exemption, you may contact us on the number displayed on your telephone account or alternatively on 132203 for service difficulties and faults or 132200 for sales, installations and billing- quoting CSG Exemption reference number **20150223-NT-S-C-P-TROPICAL CYCLONE LAM**.

Copies of this notice are available on our Internet site at <http://telstra.com.au/abouttelstra/commitments/mass-service-disruption/> or you may request a copy by calling one of the Telstra numbers mentioned above.

If, after calling Telstra on one of the above numbers, you remain unsatisfied with our response to your query, you have the option of raising the matter with the Telecommunications Industry Ombudsman (TIO). Information on the TIO and contact details are available on the Internet ([www.tio.com.au](http://www.tio.com.au)) and in the White Pages® telephone directory.
