

# Customer Service Advice from Telstra

## **Extreme Weather events impact service in parts of Southeast Coast District of Queensland.**

Telstra is working to manage the significant impact to Telstra services that has occurred as a result of a series of extreme weather events in parts of Southeast Coast District of Queensland on or about Thursday 30 April 2015 through to Saturday 2 May 2015.

Due to the effect of damage to the Telstra telecommunications network by severe weather, there has been a significant increase in the number of Telstra services being reported as faulty. As a result, there has been some disruption to service and delays to normal installation and repair activities.

Telstra apologises to any affected customers.

Information as to the nature of these severe weather events can be sourced from the Bureau of Meteorology (BOM). Damaging winds, heavy rainfall, abnormally high tides and dangerous surf are referred to in the BOM Severe Weather Warning issued for 1 May 2015 initially at 2:19 pm Friday, 1 May 2015; all of which were widely reported in the news media after the events.

Telstra has identified that the effect of these circumstances may apply to approximately 20,100 services. Some of these services may not be installed or repaired within Telstra's standard time frames. The number of possibly affected services may increase or decrease as Telstra assesses the full effect of the extreme weather conditions. Based on current information, the resumption date of Telstra's normal service operations is expected to be 21 June 2015. This date is indicative only, however, and may be subject to change once the full impact of the extreme weather conditions has been assessed. Telstra regrets any inconvenience caused to customers and thanks them for their patience while this work is being undertaken.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to, the area starting at Tin Can Bay following the coastline south past Caloundra, Redcliffe, Brisbane Airport and Wynnum to Lota. From Lota the area turns southwest past Chandler and Runcorn to New Beith. From New Beith the area turns northwest to Walloon, northeast to Mt Glorious and northwest to Blackbutt. The area then turns northeast past Manumbar to Mt Urah and then east back to Tin Can Bay. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

07 3000 0100	To	07 3037 8999	07 3608 6000	To	07 3608 6999
07 3055 3100	To	07 3055 9999	07 3620 0000	To	07 3667 6999

As these circumstances were outside of Telstra's control, Telstra is claiming an exemption from compliance with time frames and performance standards required under the *Telecommunications (Customer Service Guarantee) Standard 2011*. Therefore Telstra is notifying customers that normal installation and repair time frames may not be met during the period from **4 May 2015 to 21 June 2015** inclusive (based on Telstra's estimated recovery schedule correct at the time of publication of this notice) and, under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, Telstra will be exempt from complying with performance standards during this period.

If you have any questions regarding your eligibility for a CSG payment under this notice, or would like us to reconsider whether the circumstances were a proper basis for claiming an exemption, you may contact us on the number displayed on your telephone account or alternatively on 132203 for service difficulties and faults or 132200 for sales, installations and billing- quoting CSG Exemption reference number **20150504-QLD-E-C-P-BRISBANE AND SOUTHEAST QLD**.
