

Customer Service Advice from Telstra

Severe Weather events impact service in Metropolitan Melbourne and part of the surrounding Central District of Victoria.

As previously notified by Telstra on Friday 14 April 2017, Telstra's normal operations in Metropolitan Melbourne and part of the surrounding Central District of Victoria were affected by a series of severe weather events on or about Saturday 8 April 2017 through to Monday 10 April 2017. Telstra's telecommunications network in these areas have experienced high levels of damage that resulted in delays to installation and repair activities on a significant number of Telstra services. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and as a consequence of the continued weather effects, the expected recovery date has now been extended to 28 May 2017.

Telstra has identified that the effect of these circumstances applies to an additional 7,150 services bringing the total number of services impacted to approximately 16,700 services. This number may increase as Telstra assesses the full affect of the severe weather conditions. Based on current information, the resumption date of normal service operations is expected to be 28 May 2017. This date is indicative only; Telstra customers should anticipate that some further delays may occur. Telstra regrets any inconvenience caused to customers and thanks them for their patience while this work is being undertaken.

Telstra services encompassed in this exemption are in the area bounded by and including, but not limited to, the area starting at Point Gellibrand following the coastline west and southwest past Williamstown, Werribee South, Geelong and Queenscliff to Urquhart Bluff. From Urquhart Bluff the area heads northwest to Winchelsea South, northeast to Waurn Ponds, and northwest to Hesse, then northeast to Lethbridge. The area turns southeast to Sutherlands Creek, northeast to Pentland Hills, and east to Diggers Rest, then southeast to Sydenham. From Sydenham the area heads northeast to Bulla, southeast to Thomastown, northeast to Kinglake West, and southeast to Warburton then northeast to Mcmahons Creek. The area turns southwest to Tonimbuk, northwest to Dewhurst, southwest to Hallam, and south to Hampton Park then west to Edithvale. From Edithvale the area follows the coastline northerly past Mordialloc, St Kilda and Melbourne back to Point Gellibrand. All suburbs, towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
