

Customer Service Advice from Telstra

Delay due to severe weather events in the Capricornia District and part of the Central Highlands and Coalfields District of Queensland.

The Capricornia District and part of the Central Highlands and Coalfields District of Queensland was impacted by severe weather on or about Monday 1 January 2018 through to Tuesday 2 January 2018.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 1,150 of Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Stanage following the coastline south past Yeppoon and Gladstone to Turkey Beach. From Turkey Beach the area heads west to Lake Awoonga, southeast to Yarrol, and southwest to the Rockybar State Forest then northwest to Arcadia Valley. The area then heads northeast past Woorabinda to Boolburra, northwest to Lotus Creek then northeast back to Stanage. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
