The Wide Bay and Burnett, and Darling Downs and Granite Belt Districts and part of the Southeast Coast District of Queensland were impacted by severe weather on or about Sunday 31 December 2017 through to Wednesday 3 January 2018.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. From the Maroochy River the area heads southwest to Landsborough, west to Wootha, northwest to Kingaham, then southwest to Bullcamp. The area then heads south to the Deongwar State Forest, northwest to Evergreen, south to Southbrook, and west to Condamine Plains then northwest to Ducklo. From Ducklo the area heads north to Warra, northeast to Boondooma, then northwest past Monogorilby to the Rockybar State Forest. The area then heads northeast to Yarrol, northwest to Lake Awoonga, then east back to Turkey Beach.
