

Customer Service Advice from Telstra

Delay due to severe weather events in parts of Melbourne and parts of the Central, North Central, Northern Country and North East Districts of Victoria.

Melbourne and parts of the Central, North Central, Northern Country and North East Districts of Victoria were impacted by severe weather on or about Friday 26 January 2018 through to Tuesday 30 January 2018. This event resulted in extensive damage to Telstra's telecommunications network.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 7,550 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Cheetham Wetlands, heading north to St Albans, northwest to Diggers Rest, west to Coimadai, and then northwest to Trentham East. From Trentham East the area heads west to Raglan, north to Buckrabanyule, southeast to Serpentine, and south to Woodstock on Loddon, then southeast to Harcourt. The area turns northeast to Knowsley, northwest past Gunbower to the Vic/NSW border following the border easterly past Yarrawonga to Gooramadda. From Gooramadda the area heads southwest to Killawarra, south to Glenrowan, southeast to Cheshunt, and south to Mount Buller, then southwest to Labertouche. The area turns west to Beaconsfield Upper, southwest to Lynbrook, and west past Chelsea Beach to Port Phillip Bay following the bay northerly to Beaumaris. From Beaumaris the area heads north to Highett, northwest to Elsternwick, north to Toorak, and northeast to Balwyn North then southwest to South Kensington. The area then turns south to the Yarra River following the river past Point Gellibrand and Altona back to Cheetham Wetlands. All suburbs, towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

We anticipate that the majority of services will be restored by 25 February 2018. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

What else do you need to know?

Information as to the nature of these severe weather events can be sourced from the Early Warning Network at <http://www.ewn.com.au/alerts/>. Heavy rainfall, flash flooding and large hail are referred to within this site for Friday 26 January 2018 through to Tuesday 30 January 2018; all of which were widely reported in the news media after the events.

Due to this event, we're claiming an exemption under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, including an exemption from the payment of compensation between **31 January 2018** to **25 February 2018** inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.
