Customer Service Advice from Telstra

Delay due to severe weather events in the North Tropical Coast and Tablelands District of Queensland.

The North Tropical Coast and Tablelands District of Queensland was impacted by severe weather on or about Sunday 4 February 2018 through to Monday 5 February 2018.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. As many as 800 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Cape Bedford following the coast south past Cooktown, Cairns and Innisfail to Cardwell. From Cardwell the area heads northwest past Carruchan to the Girringun National Park, north to Mamu, and southwest to Gunnawarra then northwest to Petford. The area then heads northeast to Arriga, northwest to Laura and northeast back to Cape Bedford. All suburbs and towns, offshore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

How will this affect you?

- 07 4232 6000 To 07 4232 9999

We anticipate that the majority of services will be restored by 4 March 2018. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

What else do you need to know?
