The North Tropical Coast and Tablelands, and Herbert and Lower Burdekin Districts and part of the Northern Goldfields and Upper Flinders District of Queensland were impacted by severe weather caused by Ex-Tropical Cyclone Nora on or about Sunday 25 March 2018 through to Tuesday 27 March 2018.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. As many as 2,100 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at the Elim Beach Campground, following the QLD coastline south past Cairns, Lucinda, Townsville and Ayr to Abbot Point then southwest to Mount Wyatt. From Mount Wyatt the area turns northeast past Crimea to Wairuna, southwest to Bellfield then northwest to Croydon. The area heads northeast to Groganville, north to Laura then northeast back to the Elim Beach Campground. All suburbs and towns off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
