

Customer Service Advice from Telstra

Delay due to severe weather events in the Sydney Metropolitan District of New South Wales.

As previously notified by Telstra on 10 October 2018, the Sydney Metropolitan District of New South Wales was impacted by severe weather on or about Thursday 4 October 2018. This event resulted in extensive damage to Telstra's telecommunications network. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and as a consequence of the continued weather effects, the expected recovery date has now been extended to 18 November 2018.

The effect of these circumstances applies to an additional 11,500 services bringing the total number of services impacted to approximately 24,800 services. This number may increase as Telstra assesses the full effect of the severe weather conditions. Based on current information, the resumption date of normal service operations is expected to be 18 November 2018. This date is indicative only; Telstra customers should anticipate that some further delays may occur.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to the area starting at Turimetta Head following the coastline south past Sydney and Cronulla to Bundeena. From Bundeena the area heads southwest to Waterfall, northwest past Oran Park to Warragamba, northeast to Orchard Hills and northwest to Winmalee then northeast to Yarramundi. The area turns east past Windsor, Arcadia to Berowra then southeast back to Turimetta Head. All suburbs and towns, including metropolitan Sydney, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
