

Customer Service Advice from Telstra

Delay due to extreme weather in the Gulf Country, Peninsula, Northern Goldfields and Upper Flinders, North Tropical Coast and Tablelands and Herbert and Lower Burdekin Districts of Queensland.

As previously notified by Telstra on 20 December 2018, the Gulf Country, Peninsula, Northern Goldfields and Upper Flinders, North Tropical Coast and Tablelands and Herbert and Lower Burdekin Districts of Queensland were impacted by extreme weather on or about Friday 14 December 2018 through to Sunday 16 December 2018. This event resulted in extensive damage to Telstra's telecommunications network. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and as a consequence of the continued weather effects, the expected recovery date has now been extended to 17 February 2019.

The effect of these circumstances applies to an additional 1,700 services bringing the total number of services impacted to approximately 3,850 services. This number may increase as Telstra assesses the full effect of the extreme weather conditions. Based on current information, the resumption date of normal service operations is expected to be 17 February 2019. This date is indicative only; Telstra customers should anticipate that some further delays may occur.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to the area starting at Cape York following the QLD coastline to the Elim Beach Campground, following the QLD coastline south past Cairns, Lucinda, Townsville and Ayr to Abbot Point then southwest to Mount Wyatt. From Mount Wyatt the area turns northeast past Crimea to Wairuna, southwest to Bellfield then northwest to Croydon. The area turns west past Four Ways and Gidya to QLD/NT border, following the border north to the Gulf of Carpentaria and continues following the coastline easterly back to Cape York. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

What else do you need to know?

Information as to the nature of the extreme weather events, which included Destructive winds, heavy rainfall and flash flooding which occurred in the affected regions can be sourced from the Bureau of Meteorology (BOM). The BOM issued Severe Weather Warnings regarding these events commencing from on or about Friday 14 December 2018 through to Sunday 16 December 2018. Additionally these unusually severe weather events have been widely reported by most of the news media.

Due to this event, we're claiming an exemption under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, including an exemption from the payment of compensation between **17 December 2018** to **17 February 2019** inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.
