Delay due to severe weather events in parts of the Wide Bay and Burnett and Southeast Coast Districts of Queensland.

Parts of the Wide Bay and Burnett and Southeast Coast Districts of Queensland were impacted by severe weather on or about Saturday 15 December 2018 through to Monday 17 December 2018.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 1,550 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Turkey Beach following the coastline south past Bundaberg, Hervey Bay, Noosa Heads to Twin Waters. From Twin Waters the area heads southwest to Landsborough, west to Booroobin then northwest to Manumbar. The area heads northwest past Kragra to Cracow turning northeast to Mt Perry then north to Lake Awoonga. At Lake Awoonga the area heads east back to Turkey Beach. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
