

Customer Service Advice from Telstra

Delay due to severe weather events in the Southeast Coast District and parts of the Darling Downs and Granite Belt, and Wide Bay and Burnett Districts of Queensland and part of the Northern Rivers District of New South Wales.

The Southeast Coast District and parts of the Darling Downs and Granite Belt, and Wide Bay and Burnett Districts of Queensland and part of the Northern Rivers District of New South Wales were impacted by severe weather on or about Friday 15 March 2019 through to Monday 18 March 2019.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 12,300 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Tin Can Bay following the coastline south past Noosa Heads, Brisbane and the Gold Coast crossing the QLD/NSW border to South Golden Beach. From South Golden Beach the area heads west to Mount Burrell, northwest to Pumpenbil, north to the NSW/QLD border and following the border westerly past Texas and Goondiwindi to Talwood Boonanga Rd. The area turns northeast to Bungunya, north to Inglestone, and northeast to Kumbarilla then north past Canaga to Durah. From Durah the area heads northeast to Monogorilby, east to Mudlo, and northeast to Bauple then southeast back to Tin Can Bay. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

How will this affect you?

Unfortunately your service may be affected and we may take longer than normal to fix telephone services or complete connections. Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

02 6670 0000	To	02 6685 1099	07 3800 0000	To	07 3918 9999

07 3700 4000	To	07 3728 3999			

We anticipate that the majority of services will be restored by 14 April 2019. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

What else do you need to know?

Information as to the nature of these severe weather events can be sourced from the Bureau of Meteorology (BOM). Damaging winds, heavy rainfall and large hailstones are

referred to in the BOM Severe Weather Warning issued for 15 March 2019 initially at 1:38 pm Friday, 15 March 2019, reference number IDQ21035; all of which were widely reported in the news media after the events.

Due to this event, we're claiming an exemption under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, including an exemption from the payment of compensation between **18 March 2019 to 14 April 2019** inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

Need more information?

For any questions about your service, the CSG exemption or to ask us to reconsider whether the circumstances are a proper basis for claiming the exemption, please call anytime on 132203* for service difficulties and faults or 132200* for sales, installations and billing. When calling please quote reference number **20190318-QLD-E-C-P-SOUTHEAST QLD AND NORTHERN NSW**. If our response doesn't satisfy you, then you may wish to contact the Telecommunications Industry Ombudsman (TIO).

Further information and copies of this notice are available on our Internet site at <http://www.telstra.com.au/consumer-advice/customer-service/mass-service-disruption/> or you may request a copy by calling the Telstra number mentioned above.
