Delay due to extreme weather events in parts of the Carpentaria, Arnhem and Barkly Districts of the Northern Territory.

Parts of the Carpentaria, Arnhem and Barkly Districts of the Northern Territory were impacted by extreme weather caused by Tropical Cyclone Trevor on or about Thursday 21 March 2019 through to Sunday 24 March 2019.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 200 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Numbulwar following the coastline south easterly past Port McArthur to the Northern Territory/Queensland border then turning south and following the border to the Sandover Hwy. The area heads west to Ali Curung, southwest to Willowra, northwest to Top Springs, and northeast to Barunga then east back to Numbulwar. All suburbs, towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
