Customer Service Advice from Telstra

Delay due to extreme weather events in the Pilbara District of Western Australia.

The Pilbara District of Western Australia was impacted by extreme weather caused by Tropical Cyclone Veronica on or about Friday 22 March 2019 through to Tuesday 26 March 2019.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. As many as 250 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Sandfire Roadhouse heading southeast to Lake Dora, south to Lake Disappointment then southwest to Capricorn. From Capricorn the area turns west to West Lyons River, northwest to Onslow and follows the coastline northeast back to the Sandfire Roadhouse. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

What else do you need to know?

Information as to the nature of these extreme weather events can be sourced from the Bureau of Meteorology (BOM).
