

Customer Service Advice from Telstra

Delay due to fire in parts of the Hawkesbury region and Hunter and Central Tablelands Districts of New South Wales.

Parts of the Hawkesbury region and Hunter and Central Tablelands Districts of New South Wales were impacted by bushfires during November 2019 through to December 2019 and are ongoing to date. These events resulted in extensive damage to Telstra's telecommunications network. In some cases, unsafe conditions and road closures are preventing us from reaching these locations but we will attend as soon as these areas are deemed safe.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 200 Telstra services are impacted in the areas bounded by and including, but not limited to, the area starting at Belford, the area travels south to Paxton then turns southeast to Cooranbong, southwest to Kulnar, northwest to Perrys Crossing and south to Wisemans Ferry. At Wisemans Ferry the area continues southwest past Wheeny Creek, Grose Vale, Wentworth Falls to Gingkin. At Gingkin the area turns northeast to Clarence, north to Wolgan Valley, northeast to Mellong and travels north along Putty Road to Milbrodale, and east back to Belford, and the area starting at Capertee, heading southwest to Yetholme, northwest to Peel, northeast to Sofala before heading southeast returning to Capertee. All suburbs and towns serviced by Telstra within these boundaries are encompassed in this exemption.

How will this affect you?
