Delay due to severe weather events in the parts of the North Tropical Coast and Tablelands and Peninsula districts of Queensland.

As a result, an interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. As many as 450 Telstra services encompassed in this exemption are in the area bounded by and including, but not limited to, the area starting at Cape Melville, the area travels south along the coast past Cooktown and Cairns to Babinda, then turns inland heading southwest to East Palmerston, then Gunnawarra. At Gunnawarra, the area turns northwest to Almaden, then northeast to Mount Mulligan, and then northwest to Bellevue. At Bellevue, the area travels northwest to Yarraden and turns east to Running Creek, then follows the coastline east back to Cape Melville. All suburbs and towns off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
