

Customer Service Advice from Telstra

Delay due to fire in parts of the Central Tablelands, Hunter, Illawarra, South Coast and Southern Tablelands Districts of New South Wales.

As previously notified by Telstra on Wednesday 8 January 2020, Telstra's normal operations in parts of the Central Tablelands, Hunter, Illawarra, South Coast and Southern Tablelands Districts of New South Wales were affected by bushfires between November 2019 and January 2020. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and in some cases, unsafe conditions and road closures are continuing to prevent us from restoration in affected locations. As a consequence of these events, the expected recovery date has now been extended to 1 March 2020.

The effect of these circumstances applies to an additional 800 services bringing the total number of services impacted to approximately 2,200 services. This number may increase as Telstra assesses the full effect of these bushfires. Based on current information, the resumption date of normal service operations is expected to be 1 March 2020. This date is indicative only; Telstra customers should anticipate that some further delays may occur.

Telstra services in two regions of NSW are affected by these bushfires where the first area includes parts of the Hunter and Central Tablelands Districts encompassed by the following description. The area bounded by and including, but not limited to, the area starting at Singleton heading southeast past Paxton to Dooralong turning southwest to Calga. From Calga the area turns northwest to Upper MacDonald, west to Paling Yards then northeast to Ilford. The area heads east to Putty then northeast back to Singleton.

The second area affected includes parts of the Illawarra, South Coast and Southern Tablelands Districts. The area bounded by and including, but not limited to, the area starting at Callala Bay heading south and following the coastline past Ulladulla and Batemans Bay to Wallaga Lake then turning northwest to Ballalaba. From Ballalaba the area turns northeast past Windellama to Brayton, east to Fitzroy Falls then southeast back to Callala Bay. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
