The Sydney Metropolitan District and parts of the Hunter, Central Tablelands and South Coast Districts of New South Wales were impacted by severe weather on or about Sunday 26 July 2020 through to Monday 27 July 2020.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 9,500 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Barrenjoey Lighthouse following the coastline south past Sydney and Cronulla to Stanwell Beach. From Stanwell Beach the area heads northwest to Minto, west to Harrington Park, northwest to Warragamba then north past Blaxland to Bowen Mountain. The area turns northwest to Mount Tomah, northeast to Womerah then east to Upper MacDonald. From Upper MacDonald the area heads southeast to Ten Mile Hollow, south to Singletons Mill then southeast back to the Barrenjoey Lighthouse. All suburbs and towns, including Metropolitan Sydney, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
