## **Delay due to extreme weather events in the North Tropical Coast and Tablelands, Herbert and Lower Burdekin Districts and part of the Northern Goldfields and Upper Flinders District of Queensland.**

The North Tropical Coast and Tablelands, Herbert and Lower Burdekin Districts and part of the Northern Goldfields and Upper Flinders District of Queensland were impacted by extreme weather caused by Ex-Tropical Cyclone Imogen on or about Sunday 3 January 2021 through to Thursday 7 January 2021.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 1,000 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at the Elim Beach Campground following the QLD coastline south past Cooktown, Cairns, Townsville and Ayr to Abbot Point then southwest to Mount Wyatt. From Mount Wyatt the area turns northeast past Crimea to Wairuna, southwest to Bellfield then northwest to Croydon. The area heads northeast to Groganville, northwest to Laura then northeast back to the Elim Beach Campground. All suburbs and towns off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.
