

## **IPND Charges**

### **1. IPND Application Fee** (once only)

An application fee of \$3,000\* is payable on application. The application fee is levied by the IPND Manager to cover the cost of assessing the Data User's application, provision of IPND training and providing the Data User who is a Public Number Directory Publisher with Provisional IPND Data, or Sample IPND Test Data for all other Users.

### **2. Encryption Device Charge** (once only)

A one off charge of \$11,250\* is payable by all Data Users. This charge is levied by the IPND Manager to provide and set up a secure communication device at the Data User's site.

This includes:

- assistance & coordination with communications vendors for user site link provisioning;
- addition of IPND User's systems to access lists and routing tables at the IPND Operations Centre; and
- provision & keying of Encryption Devices to be operated at the Data User's site.

### **3. Communications Charge** (per calendar quarter)

All Data Users pay a Communication Charge of \$3,969\* per calendar quarter.

This includes:

- access to network capacity & port charges at the IPND Operations Centre;
- infrastructure upgrades;
- security administration;
- bandwidth charges for the links from the IPND Central Site to the public switched network; and
- 24 x 7 hour monitoring, management & support.

### **4. Annual Subscription Charge**

\$0.01\* per Public Number provided to the Data User per year.

#### Example

Data User XYZ Pty Ltd is provided with 9 million public numbers by the IPND Manager, the Annual Subscription Charge would be \$90,000 (9 million X \$0.01) per year.

## 5. Walkthrough Charge (only upon Walkthrough request by Data User / Provider)

### This includes;

- Preparation
  - Review presentation and amend if necessary
  - Preparation of meeting area and facilities
  - Preparation of material
- Presentation
  - Time spent on presentation on the day including question time (up to 1 hour)

\* Please note the above charges do not include GST and will be effective on the commencement date of the new IPND Data User Access Agreement.
