ii) to the extent that it is available, and it is reasonable for Telstra to disclose it, evidence proving those facts

Evidence to prove the facts upon which this proposal is based

Social benefit assessment no. 1: Whether Telstra made a total net profit or total net loss (from operating the payphone) in the most recent 12 months from the date of assessment, and a description of the 'reasonable steps' that Telstra has taken to minimise the costs of maintaining the payphone, which may include the installation of a robust phone or card-only phone.

Telstra response:

This criteria is rated as **Negative**.

The total net profit for this payphone for the most recent 12 months was negative.

Social benefit assessment no. 2: The total volume of calls for the most recent 24 months from the date of assessment, broken down into two 12-month periods.

Telstra response:

This criteria is rated as **Positive**.

The total volume of calls for the most recent 12 months = 320.

The total volume of calls for the 12 months prior = 161.

Total call volumes have increased over this 24-month period.

Social benefit assessment no. 3: Whether the revenues from the payphone ‘will cover’ or ‘will not cover’ the depreciation and maintenance cost of maintaining the payphone on an annual basis.

Telstra response:

This criteria is rated as Positive.

The revenue from the payphone will cover the depreciation and maintenance cost of maintaining the payphone on an annual basis.

Social benefit assessment no. 4: Whether the funding (if any) provided to install or maintain the payphone, including any payments made to Telstra by the Commonwealth ‘will cover’ or ‘will not cover’ the depreciation and maintenance cost of maintaining the payphone on an annual basis.

Telstra response:

This criteria is rated as Positive.

The funding for this payphone will cover the depreciation and maintenance cost of maintaining the payphone on an annual basis.

Social benefit assessment no. 5: The name (if known) and type of each of the applicable community facilities or the name of any national parks located within a one-kilometre radius of the proposed payphone removal site.

Telstra response:

This criteria is rated as **no data available**.

Social benefit assessment no. 6: The applicable decile² the community falls into (for the purpose of this assessment) and a hyperlink to the specific source of this information.

Telstra response:

This criteria is rated as **Negative**.

The ABS data shows this community is rated as a Decile 7.
