Part E – Argent Mobile

Certain words are used with the specific meanings set out in [the General Terms of Our Customer Terms](#).

1 About this Part

- 1.1 This is part of the Argent Services section of Our Customer Terms. Provisions in other parts of the Argent Services section, as well as in the General Terms of Our Customer Terms, may apply.

See clause 1 of [the General Terms of Our Customer Terms](#) for more detail on how the various sections of Our Customer Terms should be read together.

See clause 1 of [Part A – General of the Argent Services section](#) for more detail on how the various parts of the Argent Services section should be read together.

2 Argent Mobile

What is Argent Mobile?

- 2.1 Argent Mobile carries transaction-based messages, including EFTPOS transactions data over a mobile network between a host acquirer and an end user (a merchant).

Availability

- 2.2 Argent Mobile is available to you provided that the:
- (a) Argent transactions are delivered to a host computer that is connected to an Argent IP Host Port service with us; and
 - (b) you or your end user uses a device that is approved by us and a GPRS/Next G[®] device with a SIM card that is used in conjunction with an Argent Mobile APN Subscription service.
- 2.3 Argent Mobile is not available to Telstra wholesale customers.

Types of Argent Mobile services

- 2.4 You will either be the host acquirer or the end user (which in most cases, is a merchant). We offer two services as part of Argent Mobile:
- (a) the Argent Mobile IP Gateway service; and

Part E – Argent Mobile

- (b) the Argent Mobile APN Subscription service.

Argent Mobile IP Gateway

- 2.5 The Argent Mobile IP Gateway Service enables mobile network connected devices to access host computers connected to the Argent network via an Argent IP Host Port Service.
- 2.6 If you have an Argent Mobile IP Gateway service, you will also be responsible for the usage charges.

Argent Mobile Access Point Name (APN) Subscription

- 2.7 The Argent Mobile APN subscription service is where we configure a Telstra SIM card for you (or your end user if applicable), which enables you (or your end user, if applicable) to connect to the Argent Mobile service. If you acquire the Argent Mobile IP Gateway service, either you or your end user will need to acquire the APN Subscription service and use it in conjunction with an approved device and a Telstra SIM card.
- 2.8 In order to acquire the Argent Mobile APN Subscription service, you must also acquire a Telstra SIM card on a post paid plan on the terms set out in the Telstra Mobile section of Our Customer Terms.
- 2.9 The terms under the headings General Conditions for Data Services, GPRS (General Packet Radio Service) and Telstra Mobile Broadband – Next G[®] mobile broadband network (except for the charges) set out in Part G of the Telstra Mobile section of Our Customer Terms apply to Argent Mobile.

Terminal distribution and traffic profiles

- 2.10 You must give us details of terminal distribution and traffic profiles in the format we request from time to time. You must also tell us about any significant change in terminal distribution, traffic volume and/or traffic profile.

Your relationship with your end users (if applicable)

- 2.11 The provisions of [Part B – Argent Dedicated](#) under the heading “Your relationship with your end users” apply for the Argent Mobile service if you have end users.
- 2.12 Where you have end users of the Argent Mobile service, you are responsible for ensuring that you and your end users comply with the General Conditions for Data Services set out in Part G of the Telstra Mobile section of Our Customer Terms. If we reasonably believe that the service is not being used in accordance with what we believe to be reasonable

Part E – Argent Mobile

use, we may suspend your service or one of your end user's service.

Data

- 2.13 We are not responsible for the data that is transmitted using the Argent Mobile service including any loss that you may suffer as a result of the data transfer. You are responsible for ensuring that you comply with the relevant laws relating to transfer of financial data.

Argent Mobile Cease Sale and Exit Notification

- 2.14 Argent Mobile will not be available for purchase by new customers from 30 June 2019.
- 2.15 From 30 June 2019, customers with existing Argent Mobile services will no longer be allowed to:
- (a) add new services (including new Argent Mobile IP Gateway services, and new SIM cards with Argent APN Subscription);
 - (b) make changes to existing services which require infrastructure changes; or
 - (c) recontract existing Argent Mobile services.
- 2.16 From 30 June 2020, we will exit Argent Mobile and cancel remaining Argent Mobile services.

3 Charges

Monthly access charges for Argent Mobile IP Gateway Service

- 3.1 We charge you the following monthly network access charge for each Argent Mobile IP Gateway Service:

Argent Mobile network access fee	GST excl.	GST incl.
Argent Mobile network access monthly fee	\$1,100.00	\$1,210.00

Connection charges for Argent Mobile IP Gateway

- 3.2 We charge you the following once off establishment fee for the activation of each Argent Mobile IP Gateway Service.

Part E – Argent Mobile

Argent Mobile activation fee	GST excl.	GST incl.
Argent Mobile service activation (Once Off Charge)	\$2,500.00	\$2,750.00

Usage charges for Argent Mobile IP Gateway service

- 3.3 We charge you a usage charge for transactions made using the Argent Mobile network. These charges are set out in your agreement with us. The usage charge on your bill will be described as the Argent Mobile Message Type 1 or Message Type 2 charge.
- 3.4 We can charge you additional fee-for-service charges for other works associated with establishing your service. The fee-for-service charges are set out in the [Fee-for-Service \(Other work we do for you\) section](#) of Our Customer Terms.

Argent Mobile Access Point Name (APN) subscription charges

- 3.5 The monthly subscription charge is:

Argent Mobile APN subscription charges	
Monthly subscription Fee for each GPRS / Next G [®] device or SIM card configured with the APN	\$4.54 (GST excl)
	\$4.99 (GST incl)

- 3.6 We do not charge you Argent Mobile usage charges for the Argent Mobile APN subscription service. However, if your device or SIM card is used for data transfer that is not related to the Argent Mobile service, the applicable data usage or fixed charges apply according to the relevant terms.
