28 Online billing service (OBS)

- 28.1 OBS is our online billing service. We provide bills on one or more magnetic data storage tapes for services that are billed on Flexcab, Bliss or Race billing systems.
- 28.2 OBS is not available to wholesale customers after 30 June 2007.
- 28.3 Where you and we agree that your bills should be prepared using OBS, it is the primary billing method and replaces paper billing. We only consider providing bills using OBS if your bills are \$250,000 or more per month on average over three months.
- 28.4 If you provide onward billing, reports or statements to third parties using OBS, you are responsible for any billing enquiries from those third parties.
- 28.5 We provide you with the following on request without charge:

Part D – Business Phone Services

- (a) summary paper invoices for charges billed on our Flexcab billing system;
- (b) itemized paper invoices for charges billed on our Flexcab billing system for the first three months that you receive OBS bills; and
- (c) paper invoices for charges billed on our Bliss and Race billing systems.

28.6 If you want additional OBS tapes (either containing copies or splits of a standard OBS bill tape), we charge you the following:

OBS charges	GST incl.
Per additional tape	\$643.50

OBS Service Promises

- 28.7 We promise to deliver your OBS tape to your address by 5 pm on the agreed date. This is our OBS Delivery Promise. (We consider your OBS tape delivered when one of your representatives signs our delivery document.)
- 28.8 We promise to format your OBS tape so that it has the correct data format for Flexcab or Bliss accounts, is readable, is not corrupted and is in the data record layout specified in the OBS technical specification. This is our OBS Format Promise. (We can change the data record layout in the OBS technical specification, but give you six weeks' warning before we do.)
- 28.9 If we do not meet our OBS Delivery Promise to you, you can claim your choice of Rebate A or Rebate B.
- 28.10 If we do not meet our OBS Format Promise to you, you can claim Rebate B (or if you need a new OBS tape, you can choose Rebate A instead).
- 28.11 If we do not meet both our OBS Delivery Promise and OBS Format Promise for a particular OBS tape, you can only claim either Rebate A or Rebate B. You do not get two rebates or the same rebate twice.
- 28.12 It is not a breach of our OBS Format Promise where there are data format errors arising because of your conversion or development or associated errors.
- 28.13 We can ask for verification (including independent verification) to satisfy ourselves that you are entitled to a rebate. This might include satisfying ourselves that your equipment, software or processes are fault-free.
- 28.14 Rebate A is 1% of the total amount billed on Flexcab and Bliss accounts on the relevant OBS tape multiplied by the number of business hours the delivery was overdue as a fraction of the total number of business hours in that month. (Business hours are 8am to 5pm, Monday to Friday, other than public holidays.) The maximum Rebate A is 1% of the total amount billed on Flexcab and Bliss accounts on the relevant OBS tape.

Part D – Business Phone Services

Example: If the total amount billed on your OBS tape is \$250,000 and we were meant to deliver it on the 14th (a Monday) but instead deliver it at 9am on the 15th, we are one business hour overdue. If there are 180 business hours in this particular month, Rebate A is 1/180th of \$2,500.

- 28.15 Rebate B is your actual direct costs incurred to rectify the problem up to 1% of the total amount billed on Flexcab and Bliss accounts on the relevant OBS tape.

Your direct costs do not include things like lost profits or revenue, but might include labour and associated costs.

- 28.16 To claim a rebate, you have to write to our OBS Help Desk to make your claim within 5 business days of the agreed delivery date (for breaches of our OBS Delivery Promise) or within 5 business days of the actual delivery date (for breaches of our OBS Format Promise).
- 28.17 You are not entitled to claim a rebate if you have undisputed accounts outstanding for more than 30 days after the later of the agreed delivery date or the actual delivery date. We also do not provide rebates for accounts in review (that is, accounts that are not delivered electronically because of system-based safeguards).
- 28.18 To help us keep our OBS Delivery Promise, you have to write to our OBS Help Desk at least 5 business days before you change your delivery address.

29 Fixed Repayment Option (“FRO”)

What is FRO?

- 29.1 If you are an approved customer, we may offer you credit known as a Fixed Repayment Amount and allow you to repay that credit by monthly instalments over a 24 month period (“**FRO term**”). This credit contributes towards the purchase price of eligible fixed line customer premises equipment (“**CPE**”).

Availability

- 29.2 The FRO is available to all eligible customers until the date that we determine.

Eligible customers

- 29.3 To be eligible to take up the FRO you must:
- (a) be a business customer and provide us with proof of your Australian Business Number (ABN), Australian Company Number (ACN) or Australian Registered Business Number (ARBN);
 - (b) have an Eligible Fixed Plan;
 - (c) have an Eligible Mobile Plan; and
 - (d) have a Single Bill for the Eligible Mobile Plan and the Eligible Fixed Plan.
- 29.4 You must continue to satisfy these eligibility requirements for the FRO term.

Part D – Business Phone Services

Eligible CPE

- 29.5 You may acquire as many items of CPE as you wish under the FRO, provided that the sum of the purchase price of these items is no more than \$1,000.

Eligible Mobile Plans

- 29.6 Eligible Mobile Plans are any Telstra post-paid mobile plan connected to the Telstra GSM network.

Eligible Fixed Plans

- 29.7 Eligible Fixed Plans are any BusinessLine plan except BusinessLine Part.

- 29.8 You may choose any Fixed Repayment Amount up to the amount for which we give you credit approval, provided that the Fixed Repayment Amount is no more than the sum of the purchase price (incl GST) of the CPE you acquire under the FRO. The available Fixed Repayment Amounts are set out below.

\$199, \$249, \$299, \$349, \$399, \$449, \$499, \$599, \$699, \$799, \$899, \$999

Terms

- 29.9 We will pay the Fixed Repayment Amount directly to the relevant Telstra Shop or Telstra Licensed Shop on your behalf.
- 29.10 If the price of the CPE (incl GST) is higher than the Fixed Repayment Amount, you must pay the difference between the price of the CPE (incl GST) and the Fixed Repayment Amount. You must pay this difference directly to us or the participating Telstra Shop or Telstra Licensed Shop where you bought the CPE.
- 29.11 You must repay the Fixed Repayment Amount by monthly instalments over the FRO term. If you do not repay any portion of the Fixed Repayment Amount when due, and remain in default after receiving notice from us that you are in default, we may suspend or cancel your account or the Telstra mobile service under your Eligible Mobile Plan, in accordance with the General Terms of Our Customer Terms. We will grant you a reasonable remedy period prior to suspending or cancelling your account or the Telstra mobile service under your Eligible Mobile Plan.
- 29.12 You must repay the balance of the Fixed Repayment Amount outstanding if you fail to satisfy the FRO eligibility requirements at any time before the end of the FRO term, and you remain in default after receiving notice from us that you are failing to satisfy such FRO eligibility requirements.
