Our Customer Terms

Small Business Broadband Section

2 About this Part

- 1.1 This is part of the Telstra Small Business section of Our Customer Terms.
- 1.2 Provisions in other parts of the Telstra Small Business section apply.

3 About the Small Business Broadband Section

Our Customer Terms

- 3.1 This is the Small Business Broadband section of Our Customer Terms.
- 3.2 The following sections of Our Customer Terms also apply to you if you take up a Small Business Broadband:
 - (a) the General Terms for Small Business Customers;
 - (b) the [Basic Telephone Services](#) section;
 - (c) the [BigPond Services section](#); and
 - (d) the [Services on the nbn™ network](#) section.

References to “home” or “consumer” in the BigPond Services section are to be read as Small Business Broadband for the purposes of your Small Business Broadband service.

Inconsistencies

- 3.3 If the General Terms, the Basic Telephone Services section, or the BigPond Services section of Our Customer Terms are inconsistent with something in this Small Business Broadband section, then the Small Business Broadband section applies instead of the other section to the extent of the inconsistency.
- 3.4 If a provision of the Small Business Broadband section gives us the right to suspend or terminate your service, that right is in addition to our rights to suspend or terminate your service under the General Terms of Our Customer Terms.

4 General Terms

About Small Business Broadband

- 4.1 Small Business Broadband is only available to customers who have received an invitation from us. It is not available to small or medium business on and from 25 June 2019.
- 4.2 You can choose a Telstra Small Business Broadband plan for each of your BigPond Services. You can choose a different Telstra Small Business Broadband plan for each service, even if they are on the same account.
- 4.3 You cannot migrate an existing T-Biz Broadband, Telstra Business Broadband, DOT (Digital Office Technology) or Telstra BizEssentials service to a Small Business Broadband services.

Our Customer Terms

Small Business Broadband Section

- 4.4 If you are an existing Telstra customer and sign up to a new Bundle, any discounts (for example, loyalty discounts) will not apply to your new Bundle.
- 4.5 If you sign up to a 24 month minimum term and the 24 month minimum term ends, you will remain on your Small Business Broadband plan on a month to month basis.
- 4.6 Broadband service availability, and the type of service offered, depends on what is currently available at your location, following service qualification checks by us.
- 4.7 Foxtel from Telstra, Telstra TV and BigPond Movies are not available with Small Business Broadband.
- 4.8 Small Business Broadband is not available with any other offer unless we advise otherwise.

Eligibility

- 4.9 To be eligible for a Small Business Broadband service you must have an ABN, ACN or ARBN. We supply the Small Business Broadband service for a mix of business and residential purposes.
- 4.10 Wholesale customers are not eligible for a Small Business Broadband service and it is not eligible for resale.

Service availability

- 4.11 Small Business Broadband are not available to all areas, premises or customers. While we perform preliminary qualification checks upfront for broadband and voice service availability, the type of service offered (the nbn™ network, ADSL, ADSL2+ & Cable) may be subject to further qualification checks to determine what is available at your location.

Activation and Installation for Small Business Broadband

- 4.12 Activation, installation and charges for additional work are set out in the [Basic Telephone Service Section Part A General](#) ,the BigPond Services ([Part B Cable](#) & [Part C ADSL](#)), and the [Services on the nbn™ network Part B Phone and Broadband Services on the nbn network](#) sections of Our Customer Terms.
- 4.13 Additional installation charges may also apply for non-standard installation. Examples of whether this may apply include where your premises does not have any lead-in or you require other in-premises wiring work in order to connect your service(s).³⁶

Changing/cancelling your plan

- 4.14 You can change to another Telstra Small Business Broadband plan within the Small Business Broadband plan size once a month during your term.
- 4.15 If you were connected to a Small Business Broadband XS or XL plan size and then move to the Standard or Ultimate plans, you will not be able to move back to a Small Business Broadband XS or XL plan size. Any discounts (for example, loyalty discounts) you were receiving on Small Business XS or XL plan will also no longer apply.
- 4.16 .

Our Customer Terms

Small Business Broadband Section

- 4.17 If you cancel your broadband service, or transfer it to another service provider, your plan will be cancelled.
- 4.18 If your Small Business Broadband plan is cancelled early (not due to our fault) and you do not agree with us otherwise we may charge you an early termination charge equal to the actual costs and expenses that we have incurred or committed to in anticipation of providing the service to you and that cannot be reasonably avoided by us as a result of the cancellation, which will not exceed an amount equal to \$936, pro-rated for the months remaining on your minimum term.

Transferring to the National Broadband Network (the nbn™ network)

- 4.19 We can transfer your Small Business Broadband service either before or after the end of your fixed length contract to a service supplied using our Standard Busy Period Speed plan on the the nbn™ network. We will provide you with reasonable advance notice (and in any event, no less than 30 days' notice) that your service is about to be migrated. After your service has been migrated, you can terminate your service at any time in which case we will not charge you the standard early termination charges for your service (if any), but we may charge you an amount equal to the actual third-party costs and expenses that we have incurred or committed to in anticipation of providing the service to you and that cannot be reasonably avoided by us as a result of the termination. If we fail to provide you with reasonable advance notice or if the migration to the new service has more than a minor detrimental impact on you, you may terminate your service at any time after your service has renewed without having to pay any early termination charges (including the charges contemplated in the previous sentence).
- 4.20 This service has a minimum typical busy period speed of 15Mbps. Actual speeds will vary due to a number of factors including hardware and software configuration, source and type of content downloaded, the number of users and performance of interconnecting infrastructure not operated by Telstra. Devices connected by Wi-Fi may experience slower speeds than those connected by Ethernet cable.

Electronic Billing and Payment

- 4.21 Any Small Business Broadband plan connected requires paperless billing and electronic payment. A \$2.20 fee will apply each month in arrears if you receive a paper bill. A \$1.00 fee will apply each month in arrears if you make a bill payment in person or via mail.
- 4.22 Exemptions from these fees are available for:
- (a) Telstra Pensioner Discount customers;
 - (b) Telstra Disability Equipment Program customers, including those receiving a Braille or Large Print Bill;
 - (c) Australian Government Health Care Card Holder customers; and
 - (d) customers who do not have an email address or internet access.
- 4.23 **Paperless Bill:** You may receive an Email Bill or you can view your bill online via MyAccount on telstra.com. The terms and conditions for Email Bill and Online Billing are set out in the General Terms for Small Business Customers section of Our Customer Terms.

Our Customer Terms

Small Business Broadband Section

- 4.24 **Electronic Payment:** You may pay your bill via Direct Debit, BPAY®, telstra.com, over the phone or via a CentreLink Payment or Telstra Bill Assistance Certificate. (A payment processing fee applies for credit card payments. Refer to your bill for the amount of the fee.) ® Registered to BPAY Pty Ltd ABN 69 079 137 518

Small Business Broadband Section

Small Business Broadband hardware

- 5.4 The Standard and Ultimate Plans include a Telstra Smart Modem™. We will waive the 24 monthly hardware payments equal to the regular retail price of the Telstra Smart Modem™ (as applicable) over the minimum term of your plan provided you do not cancel your Plan early. If you cancel your plan before the end of the 24 month term, in addition to any other early termination charges:
- (a) we will cease to waive the remaining monthly hardware payments for the remainder of your minimum term; and
 - (b) the early termination charges for your Plan will be increased to include the remaining hardware payments.

Speed Boost – the nbn™ network

- 5.5 Speed Boost is available on the nbn™ network:

Speed Boost	Eligible broadband services/fees
Standard Plus Speed Boost (30 Mbps minimum typical busy period speed)	Standard inclusion for all nbn technologies excluding
Premium Speed Boost (60 Mbps minimum typical busy period speed)	\$30/mth – the nbn™ network (excluding Fixed Wireless)

We will check if you're eligible when you ask to take up Speed Boost.

- 5.6 You may cancel your Speed Boost by telling us. If you do so part way through a month, your monthly subscription fee will be rebated to you on a pro-rated basis, calculated on the number of days left in your billing cycle.

There is a limit of one Speed Boost per service per month. Your Speed Boost continues to apply unless it is cancelled.

Standard Speed on the Cable

- 5.7 For eligible Telstra Cable customers, standard speed on Cable will be up to 100Mbps.
- 5.8 Cable speeds are still subject to limitations such as your in-premise set-up and wiring, busy periods on the network and other environmental factors.
- 5.9 We will apply Standard speed on Cable at no extra cost.
- 5.10 We may change the maximum attainable line speed on Telstra Cable at any time, subject to applicable terms in the General Terms of the Home & Family section.
- 5.11 If you move premises or migrate to the nbn, you may not experience the same speeds as you did on Cable. Standard speed on Cable will not equate to speeds on nbn post migration if your plan or premises are not capable of supporting that nbn speed tier. Please see the Small Business Services on the **nbn** Network section of Our Customer Terms for further information
