1 About this Part

1.1 This is part of the Telstra Mobile section of Our Customer Terms. Provisions in other parts of the Telstra Mobile section, as well as in the General Terms of Our Customer Terms, may apply.

2 Eligibility for various plans

2.1 In addition to our rights under the General Terms, you may not be eligible to apply for the offers listed below or we may disconnect you from an offer if you:

   a) charge any other person for any of the services or benefits provided to you under the offer;
   
   b) enter into any agreement or understanding under which someone agrees to pay you (in cash or kind) for services or benefits provided to you under an offer; or
   
   c) act as agent for any person in entering into an offer.

3 Calculating your early termination charge (ETC)

3.1 If you need to pay an ETC under the terms of your plan, it will be calculated according to the following formula:

\[
\text{Base ETC} \times \frac{\text{number of months (or part thereof) remaining in your minimum term}}{\text{Total number of months in the minimum term}}
\]

3.2 The Base ETC for your plan and the circumstances in which you may be required to pay an ETC are set out in the section of this part that relates to your plan.

Part B – Current Post-paid Plans

4 Telstra Mobile Plans

For new connections on and from 1 July 2020

Eligibility

4.1 To be eligible for a Telstra Mobile Plan, you must be a new customer or an existing customer with a 13-digit account number.

4.2 If you are a business customer, you must provide us with proof of your ABN, ACN or ARBN.

Availability

4.3 All Mobile Plans are month-to-month plans that are available until withdrawn by us. At the end of each month your Mobile Plan will automatically roll over to the next month unless you or we change or cancel the plan.

4.4 To connect your existing Telstra mobile service to a new Mobile Plan, you must request to be moved and connected to a new Mobile Plan. This will lead to the cancellation of your existing Telstra mobile plan. We will not charge any applicable early termination charges for your service, however you’ll have to pay us any fees and remaining device repayments arising from that cancellation, in full, if an associated device cannot be upgraded or transferred across to the new Mobile Plan.

4.5 International Call Packs offered before 1 July 2020 are not compatible with Mobile Plans and cannot be added or brought across to your Mobile Plan.

Device Options

4.6 Mobile Plans are for personal use with compatible smartphones only. Other devices including tablets or mobile broadband devices are not eligible for use with Mobile Plans and may be blocked.

4.7 If you take up a Mobile Plan, you may:

a) purchase an eligible device on a Device Payment Contract (DPC). The DPC terms and conditions are set out in Part C – Special Promotions of the Telstra Mobile Section of Our Customer Terms; or

b) bring your own (BYO) compatible handset or purchase a Telstra Mobile Network compatible handset. For the best possible experience on the Telstra Mobile Network, use a handset that supports 3G-850MHz, both 4G 1800MHz and 4G 700MHz, and 5G 3500 MHz banding. Check your device manual or manufacturer’s website for more information.

4.8 We may choose to offer Device Payment Discounts (DPD) from time to time if you purchase an eligible handset on a DPC. If you purchase an eligible handset:
Part B – Current Post-paid Plans

a) you will receive the DPD amount as a credit towards your handset repayments each month for the term of your DPC;

b) we will tell you the DPD amount when you take up your eligible DPC; and

c) the monthly device repayments (if any) on your bill are the monthly amount you owe after the DPD amount has been applied.

4.9 If you cancel your Mobile Plan or your DPC, you will no longer be entitled to any DPD and you must pay the balance of any remaining device repayments in full.

Accessory Repayment Option

4.10 You can choose to buy compatible mobile accessories with your Mobile Plan through an Accessory Repayment Option (ARO). If you cancel your ARO, you’ll have to pay the remaining cost of the accessories in full. The ARO terms and conditions are set out in Part C – Special Promotions of the Telstra Mobile Section of Our Customer Terms.

**What you must pay each month**

4.12 Each month you must pay us:

*Example: If you join Telstra on the Small Mobile Plan on 1 July 2020, and then increase your plan to the Medium Mobile Plan on 10 July 2020, you’ll immediately be moved on to...*

At the end of that month (31 July 2020), you’ll be billed at a pro rata rate for 10 days of the Small Mobile Plan and 21 days of the Medium Mobile Plan amount, and after that your next monthly bill will be for the Medium Mobile Plan amount if you don’t change again.

4.14 You can cancel your plan at any time without incurring any early termination charges for the service. However, you’ll need to pay:

**No International Calls and SMS Allowance (from Australia)**

4.16 Mobile Plans do not include any allowance for international calls, SMS or MMS while you are in Australia. If you make any international calls or send international SMS or MMS while you are in Australia, you can:

a) purchase an International Call and SMS Pack for unlimited standard international calls or SMS to eligible countries (you will be charged extra for all non-standard international calls or SMS and all international calls or SMS outside eligible countries); or

b) pay standard Pay-as-You-Go (PAYG) rates for all international calls, SMS or MMS.

**International Roaming**

4.17 International roaming is automatically activated on Mobile Plans (unless you’re recontracting with your existing number or have chosen to opt to bar international roaming for that mobile service). Standard international roaming rates apply. See Part I – Heading Overseas (International Roaming) of the Telstra Mobile Section of Our Customer Terms.

**International Roaming Day Pass**

4.18 All Mobile Plans have an International Day Pass activated, which for an additional charge per day lets you make and receive unlimited standard voice calls and SMS and includes 500MB data for use each day (AEST) when travelling in Eligible Roaming Destinations. If you use more than your included data allowance on your International Day Pass, we’ll automatically add extra data to your service in blocks of 1GB for $10 valid for 31 days. For more information refer to Part I – Heading Overseas (International Roaming) of the Telstra Mobile Section of Our Customer Terms.

b) choose to opt out of your International Day Pass.

Part B – Current Post-paid Plans

Monthly Mobile Data Allowance

4.20 Each Mobile Plan has a non-shareable monthly data allowance for use within Australia. Any unused monthly data allowance expires at the end of each billing month. You’ll receive notifications of your data usage at approximately 50%, 85% and 100% of your data allowance to help you make the most of your data allowance. You can also check how much data you’ve used via the My Telstra app, MyAccount, and the Mobile Data Usage Meter.

4.21 Your Monthly Mobile Data Allowance cannot be shared with the data allowances of services on the same account as your Mobile Plans.

4.22 Your Monthly Mobile Data Allowance can only be used in Australia and cannot be used for sending SMS or MMS to international numbers. If you send SMS or MMS to international numbers or if you use your services overseas, additional charges will apply.

4.23 If you use more than your monthly data allowance in a month, you will not be charged extra for use of data within Australia and will continue to receive additional data with speeds capped at 1.5Mbps for the rest of the month until your next billing period. This is not suitable for HD video or high-speed applications, and means that some webpages, video/social media content and may take longer to load. You can still use your device to tether or create a wireless hotspot for other devices, but your speeds may be slowed further. We will also slow speeds further during busy periods to manage network congestion and ensure overall network experience.

4.24 If you have exceeded your monthly data allowance, you can increase your plan (once per month) to increase your monthly data allowance. See clause 4.13 on how to change your plan.

4.25 When calculating mobile data volumes:

   a) if the volume of data transferred is not a whole number of kilobytes, it is rounded up to the next kilobyte at the earlier of the end of each session or 24 hours; and

   b) 1024 bytes = 1 kilobyte (KB) and 1024 kilobytes = 1 megabyte (MB) and 1024 MB = 1 gigabyte (GB).

FairPlay Policy

4.26 Our FairPlay Policy (set out in the General Terms for Consumer Customers) applies to your Mobile Plan.

4.27 You must comply with our FairPlay Policy and not use your service in an unacceptable, unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of, or causes significant congestion to, the network. We may take action if you breach the FairPlay Policy, including suspending or cancelling your service.

Electronic Billing and Payment

Part B – Current Post-paid Plans was last changed on 20 April 2021
Part B – Current Post-paid Plans

4.28 Your Mobile Plan requires electronic payment. A $1.00 fee will apply each month in arrears if you make a bill payment in person or via mail.
