What are the Telstra Reward Options?

2.13 If we accept your application for Telstra Reward Options, you choose one of the available rewards that will apply each month. Any unused monthly reward is lost at the end of each billing period. The Telstra Reward Option only applies after any included calls, monthly call credits and bonus options have been applied to your mobile service(s).

2.14 Where relevant, once you have qualified for Telstra Reward Options your chosen Reward Option may be applied to the following services on your Single Bill:

(a) eligible fixed telephone and eligible mobile services;
(b) HomeLine Complete fixed telephone services;
(c) BusinessLine full service fixed telephone services; and
(d) post-paid mobile services (excluding corporate plans, corporate staff plans, satellite services or services connected to Telstra Talk Plan $99).

2.15 The Telstra Reward Options are:

(a) “Local Calls”: you will receive a total number of free local calls (excluding calls to numbers beginning with 13 and 1300 and timed data calls that have been made by an ISDN service) from all specified fixed telephone services on your Single Bill. The number of free local calls is based on a HomeLine Plus local call GST inclusive price of 17.5 cents;

(b) “SMS”: you will receive a total number of free SMS (excluding SMS sent to international numbers, premium services or online SMS) made from all specified mobile services or specified fixed telephone services on your Single Bill. The number of free SMS calls is based on a GST inclusive SMS price of 25c;

(c) “Family Calls”: you will receive a total credit for the following voice calls made in Australia between all of the following specified services on your Single Bill (excluding diverted calls and international roaming):

(i) from fixed telephone to mobile services;
(ii) from mobile services to fixed telephone services, and
(iii) between mobile services.

(d) “Other Reward Options” offered from time to time on a promotional and limited basis, with specific terms and conditions applying for those Reward Options. If you apply for one of these Other Reward Options we will tell you the relevant terms when you apply. This section will also apply to the Other
Reward Options.

2.16 The value of the Telstra Reward Option that you are eligible for each month depends on the number of eligible services that you have on your Single Bill, as shown below:

(a) one eligible fixed telephone service plus one eligible service = up to 50 local calls, 50 SMS, $15 of Family Calls;

(b) one eligible fixed telephone service plus two or more eligible service = up to 125 local calls, 125 SMS, $25 of Family Calls;

except that if you do not have an eligible mobile service, you will be unable to receive the Family Calls Reward Options.

2.17 Once we have received your application, we will check the information provided. If your application is then accepted, you will start to receive your chosen (or changed) Reward Option about 48 hours after we accept your application and all your eligible services are on a Single Bill on a pro-rata basis during the same billing period. You can call us on 132200 to find out whether your application has been accepted.

Cancelling or Changing your Telstra Reward Options

2.18 You can change your Telstra Reward Option at any time.

2.19 If you ask us to cancel your Telstra Reward Option, you will no longer receive it.

2.20 If you stop being eligible for a particular Telstra Reward Option we will, where possible, transfer you to an alternative Telstra Reward Option that you are eligible for, being either:

(a) a lower Telstra Reward Option of the same type; or

(b) if you are not eligible for a Telstra Reward Option of the same type, the lower or applicable Local Calls Reward Option.

Example (a): if you choose a Local Calls Reward Option with eligible fixed, mobile and internet services you get up to 125 Local Calls. If you cancel your internet, we will transfer you to a Local Calls Reward Option with up to 50 Local Calls.

Example (b): if you choose a Family Calls Reward Option with eligible fixed, mobile and internet services you get $25 worth of Family Calls. If you cancel your mobile, we will transfer you to a Local Calls Reward Option with up to 50 Local Calls.

2.21 If you stop being eligible for all Telstra Reward Options, you will stop receiving your chosen (or changed) Telstra Reward Option on a pro-rata basis during the same billing period.
2.22 If you become eligible for a better Telstra Reward Option because you add more eligible services, you will need to contact us in order to receive the Telstra Reward Option of your choice.

For example, if you have chosen Family Calls with eligible fixed and mobile services you get $15 worth of Family Calls. If you add an eligible internet service, you can contact us to choose a Telstra Reward Option. If you don’t contact us, you will continue to receive $15 worth of Family Calls.
