In the event this timeframe is extended, a revised notification will be provided.

### What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 24<sup>th</sup> March 2025 to 23<sup>rd</sup> May 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.
