

Customer Service Guarantee Exemption Advice – 20251009-TAS-S-C-I-TASMANIA DISTRICTS

Parts of the North East, North West, South East, South West and Central Districts for Tasmania were impacted by severe thunderstorms resulting in heavy rainfall exceeding the 10 year average, cloud to ground lightning strikes, hazardous winds and localised flash flooding between 9th October 2025 to 13th October 2025. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 113 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 03 6162 5000 To 03 6162 9999
- 03 6208 0000 To 03 6298 9999
- 03 6323 0000 To 03 6399 9999
- 03 6420 0000 To 03 6458 9999
- 03 6471 0000 To 03 6475 9999
- 03 6490 0000 To 03 6498 9999

How will this affect you?

We anticipate that most services will be restored by 21st October 2025. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 9th October 2025 to 21st October 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
