

## Customer Service Guarantee Exemption Advice – 20251125-NSW-E-C-I-CENTRAL COAST REGION EXT 2

We've previously advised of an interruption to Telstra's normal operations, due to parts of the Gosford, Swansea, Wyong, Terrigal and The Entrance Districts of the Central Coast Region for New South Wales, were impacted by severe thunderstorms resulting in heavy rain, hazardous wind gusts and cloud to ground lightning strikes between 25<sup>th</sup> November 2025 to 26<sup>th</sup> November 2025. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

We are continuing to experience ongoing delays in installation and repair activities due to this event. We estimate that as many as 37 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 02 4306 8000 To 02 4306 9999
- 02 4320 0000 To 02 4399 9999
- 02 4970 0000 To 02 4980 2999
- 02 9973 8000 To 02 9973 8999
- 02 9985 0000 To 02 9985 9999

### How will this affect you?

We anticipate that most services will be restored by 19<sup>th</sup> January 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

### What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 25<sup>th</sup> November 2025 to 19<sup>th</sup> January 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.

### What's next?

You don't need to do anything. We're doing all we can to return to normal operating standards.
