

Customer Service Guarantee Exemption Advice – 20251128-QLD-E-C-I-TROPICAL NORTH COAST DISTRICTS

Parts of the Atherton and Atherton Tablelands Districts of the Tablelands Regional Council local government area for Queensland was impacted by severe thunderstorms resulting in heavy rainfall and cloud to ground lightning strikes between 28th November 2025 to 2nd December 2025. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 52 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4030 3000 To 07 4030 5999
- 07 4043 4000 To 07 4048 4999
- 07 4084 5000 To 07 4098 5199
- 07 4254 6000 To 07 4257 4999

How will this affect you?

We anticipate that most services will be restored by 19th December 2025. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 28th November 2025 to 19th December 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
