

Customer Service Guarantee Exemption Advice – **20260112-QLD-E-C-I-CENTRAL EAST COAST DISTRICTS EXT**

We've previously advised of an interruption to Telstra's normal operations, due to parts of the Bundaberg Regional Council, Cherbourg Aboriginal Shire Council, Fraser Coast Regional Council, Gympie Regional Council, North Burnett and South Burnett Regional Councils, local government areas for Queensland were impacted by Ex-Tropical Cyclone Koji resulting in heavy rainfall, localised flooding and road closures between 10th January 2026 to 13th January 2026. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

We are continuing to experience ongoing delays in installation and repair activities due to this event. We estimate that as many as 103 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4100 0000 To 07 4199 7999

How will this affect you?

We anticipate that most services will be restored by 13th February 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 12th January 2026 to 13th February 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
