

Customer Service Guarantee Exemption Advice – 20260112-QLD-E-C-I- WHITSUNDAYS AND CENTRAL HIGHLANDS DISTRICTS

Parts of the Mackay Regional Council, Whitsunday Regional Council, Isaac Regional Council and Central Highlands Regional Council local government areas for Queensland were impacted by Ex-Tropical Cyclone Koji resulting in heavy rainfall, localised flooding and road closures between 10th January 2026 to 13th January 2026. How will this affect you?

We anticipate that most services will be restored by 13th February 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 12th January 2026 to 13th February 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
