

Customer Service Guarantee Exemption Advice – 20260126-WA-S-B-I-KIMBERLEY DISTRICT

Parts of the Shire of Broome and Shire of Derby–West Kimberley local government areas for Western Australia were impacted by Cyclone Luana resulting in heavy rainfall, high damaging winds, flash flooding and road closures between 24th January 2026 to 25th January 2026.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 6 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 08 9138 2000 To 08 9138 7999
- 08 9154 4000 To 08 9171 9999
- 08 9191 0000 To 08 9195 5999

How will this affect you?

We anticipate that most services will be restored by 16th February 2026. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to this event, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 26th January 2026 to 16th February 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [**Australian Government, Federal Register of Legislation**](#) website.
