

Customer Service Guarantee Exemption Advice – 20260202-NT-S-C-I- NORTHERN TERRITORY DISTRICTS

Parts of the Daly, Arnhem, Katherine, Roper Gulf and Darwin local government areas for Northern Territory were impacted by severe storm resulting in heavy rainfall, localised flooding and road closures between 1st February 2026 to 5th February 2026. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 61 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 08 7900 1000 **To** 08 7951 3999
- 08 7969 5000 **To** 08 7999 9999
- 08 8900 0000 **To** 08 8953 1799
- 08 8963 5000 **To** 08 8999 9999

How will this affect you?

We anticipate that most services will be restored by 6th March 2026. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 2nd February 2026 to 6th March 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
